FACULTY OF ARCHITECTURE, PLANNING & DESIGN

At Integral University, we take immense pride in providing a holistic and innovative approach to education, the result of which was evident in the University being awarded NAAC A+ Grade in 2023. Faculty of Architecture, Planning and Design (FoAPD) was established in 1999 at Integral University, Lucknow with the introduction of Bachelor of Architecture UG Program. UG Programs for Product & Interior Design and Fashion Design were added to the cohort in the year 2020.

Currently, the Faculty offers undergraduate degrees in B.Arch., B.Des. (Product & Interior Design) and B.Des. (Fashion Design), while the postgraduate degree programs include M.Arch. and M.Plan. In addition, since 2019, FoAPD also started offering Ph.D.

With a focus on interdisciplinary learning, we encourage students to explore various aspects of architecture, planning, and design, promoting a comprehensive understanding of the built environment and its impact on society. "Being the oldest cynosure imparting architectural education in any private university of the state; we realise our responsibility to deliver the best," states Prof. S. W. Akhtar, Chancellor and Founder, Integral University, Lucknow. Owing to the institution's excellent teaching standards and its resonating outcomes, FoAPD ranked 2nd across Uttar Pradesh & 28th across the entire nation in 2023 by IIRF (amongst Private Universities).

MESSAGE FROM DEAN

Prof. (Ar.) Zeba Nisar
Dean, FoAPD

Welcome to the Faculty of Architecture, Planning and Design!

Our collective ambition and core purpose is to be a 21st century “Academic Cultural Institution” dedicated to producing the next generation of architects, designers and scholars. At FoAPD, we are working to redefine architectural and design education and experimenting with radical educational methods. Founded in 1999 as the Faculty of Architecture, the institution now grants the five-year Bachelor of Architecture (B.Arch) degree, the four-year Bachelor of Design (B.Des) degree in Product & Interior and Fashion Design, the two-year Master of Architecture (M.Arch) degree, the two-year Master of Planning (M.Plan) degree, and Doctor of Philosophy in Architecture and Planning.

At FoAPD, we place a strong emphasis on helping students create portfolios that show

their understanding of design principles, their ability to apply them effectively, their ability to envision original design solutions, their competence at sketching design concepts convincingly, and their proficiency at visually modelling and illuminating the same. I encourage you to look through our brochure, website, and social media pages, as well as get in touch with the faculty and students of the FoAPD, if you are thinking about a career in the built environment and fashion. Faculty of Architecture, Planning and Design at Integral University takes great pride in producing the kind of architects, designers and planners that the world and the future require. We cordially encourage you to enrol in a selective and individualized programme at Integral University.

“The achievements of an organization are the results of the combined effort of each individual” - Vince Lombardi

MESSAGE FROM HEAD

Welcome to the Department of Architecture!

The Faculty of Architecture, Planning and Design (FOAPD) is a premier institute in India for education in Architecture, Urban Planning, and Design. Our excellent teaching standards and its resonating outcomes can be testified by various surveys conducted all over India by premier institutions like Outlook, MDRA, GHRDC, IIRF Survey ranking our Department among top architectural colleges for consecutive years. Being the oldest cynosure imparting architectural education in any private university of the state; we realize our responsibility to deliver the best. We have a pool of teachers from all over the world with global teaching standards. National & international level seminars, workshop, exhibitions are organized in partnership with collaborated universities & research organizations.

Participating students are exposed to new way of thinking & imagining. In FOAPD, we nurture students with individual care through Mentor-Mentee system. The emphasis is given on exploration, exposure to wide range of disciplines, visual and communication skills and critical thinking.

Prof. (Dr.) Safiullah Khan

NAAC

The National Assessment and Accreditation Council (NAAC) was established in 1994 as an autonomous institution of the University Grants Commission (UGC) with its Head Quarter in Bengaluru. The mandate of NAAC as reflected in its vision statement is in making quality assurance an integral part of the functioning of Higher Education Institutions (HEIs).

NAAC evaluates the institutions for its conformance to the standards of quality in terms of its performance related to the educational processes and outcomes, curriculum coverage, teaching-learning processes, faculty, research, infrastructure, learning resources, organisation, governance, financial well being and student services.

CoA

The Council of Architecture (COA) has been constituted by the Government of India under the provisions of the Architects Act, 1972, enacted by the Parliament of India, which came into force on 1st September, 1972. The Council of Architecture is charged with the responsibility to regulate the education and practice of profession throughout India besides maintaining the register of architects.

There are about 423 institutions, which impart architectural education in India leading to recognized qualifications. The standards of education being imparted in these institutions is governed by Council of Architecture (Minimum Standards of Architectural Education) Regulations, 1983, which set forth the requirement of eligibility for admission, course duration, standards of staff & accommodation, course content, examination etc.
