Dear Students,

We are delighted to welcome you to rejoin the campus after winter vacation on January 23, 2024.

As we embark on the even semester of 2023-24, please remember that the pre-registration is a prerequisite for Semester Registration and should be essentially completed before the registration for this semester by all the students, which will commence on January 23, 2024. Kindly note that physical presence and clearance of dues are mandatory for semester registration. For delayed semester registration, a fine of Rs 500/- per day will be imposed after January 27, 2024.

Classes will commence on January 23, 2024. It is crucial to maintain stipulated attendance (75%) to be eligible for Continuous Assessments (CA) and Semester-End Examinations. You will be marked absent until your semester registration is completed.

Therefore, it is reiterated that please ensure to deposit any pending fees, complete your semester registration by January 27, 2024, and begin attending classes immediately. Attendance will be counted from the date of start of classes.

Avoid accumulating fines and ensure regular attendance to make the most of your academic experience. Note that failure to achieve stipulated attendance will result in ineligibility for examinations (CA & Semester-End Exam).

Best wishes for a successful academic year!
