Report of the One Day Online Workshop on ‘Profitable Financial Investments as a Business Sustainability ’ organized by Department of Commerce, Faculty of Commerce & Management, Integral University on August 08,2024

Department of Commerce, Faculty of Commerce & Management organized a one-day online workshop on ‘**Profitable Financial Investments as a Business Sustainability**’ on August 08,2024 in virtual mode which was conducted by **Dr Amuthan R, Associate Professor, School of Commerce & Economics, Presidency University, Bengaluru and empaneled trainer of NSE**. During the session he delineated the basic fundamentals of financial planning and investment options which students can undertake. He elaborated on various financial schemes and how they can add a multiplier effect for investments made by professionals and salaried class, further he demonstrated through certain mathematical calculations, the intensity of increase in return on investment, at the end he took questions from the participants and cleared their doubts regarding profitable financial investments.

Earlier, Inaugurating the workshop **Prof Adeel Maqbool, Vice-Dean, FCM** introduced the resource person and said that this workshop is extensively designed to meet the requirements of young dynamic students who are in the nascent stage of their career and said that Faculty of Commerce and Management is committed to nurturing and providing exceptional guidance and insights to nurture and is dedicated to develop the students into flagbearer entrepreneurs in the realms of business. He urged the students to fully harness the state of art incubation facilities available in the university for their overall professional growth and assured that nothing less than the best shall be done by the department to upgrade it. He further appreciated the organizers for successfully conducting the workshop and urged them to come up with more such thriving sessions for the benefit of students of the university.

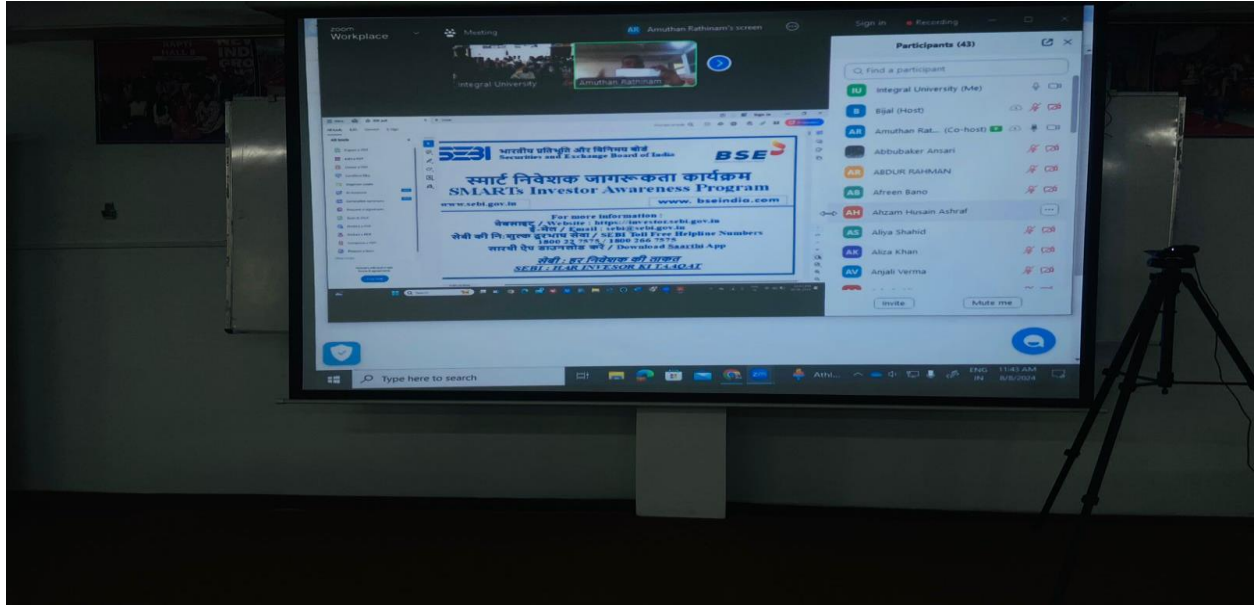

Dr Farhina Sardar Khan, DQAC Coordinator in the department informed that department is roping in various learned eminent resource persons from prestigious higher educational institutes and industry with an expertise in related domains to conduct these workshops and guest lectures for the benefit of the students.

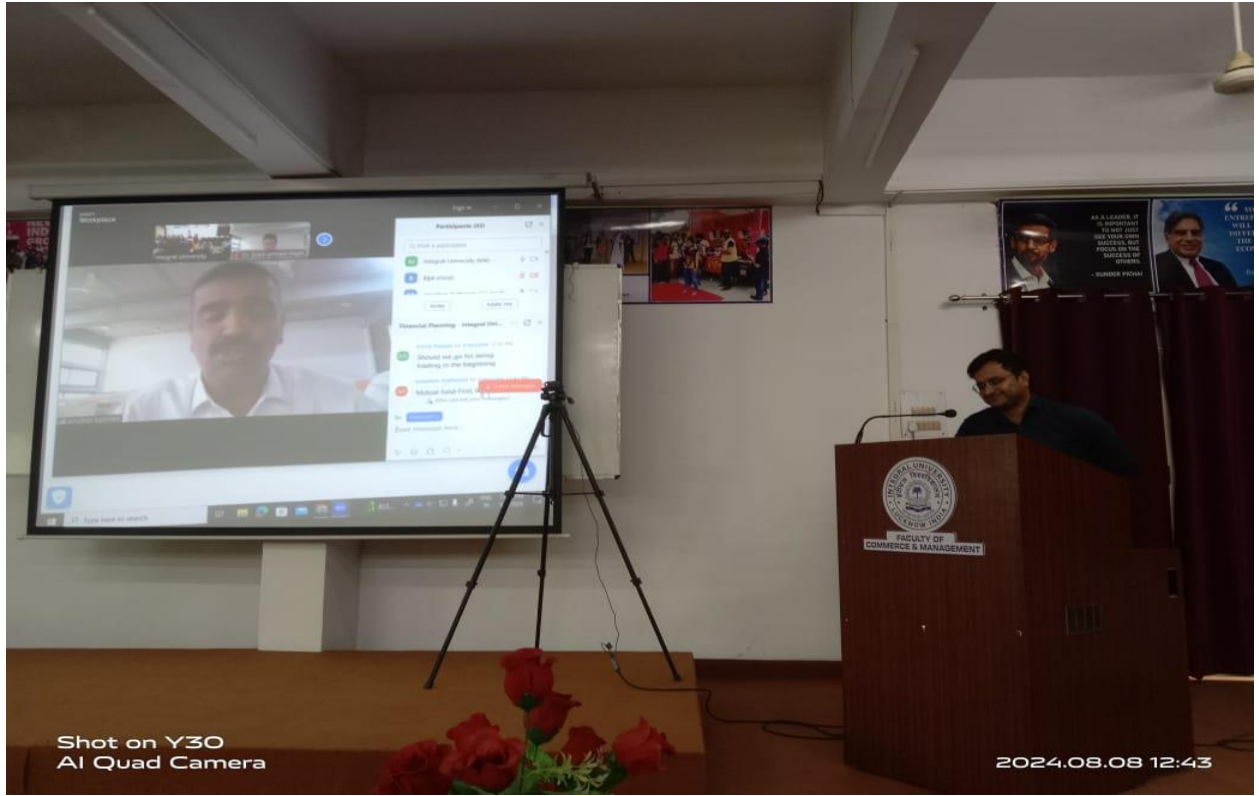

Dr Mansoor Ilahi, Faculty Coordinator moderated the session and briefed that the department has organized this workshop on sustainable financial stability with a view to induce saving habits and inculcate investment temperament among students. This workshop which has been attended by seventy-two participants including students and faculty members as well has meticulously covered each investment stage and various options of investments under SIP and mutual funds & also ROI accumulated thereon.

Ms Amisha Srivastava, another faculty coordinator expressed her gratitude to the resource person & participants for sparing their valuable time for attending the workshop which we will go a long way in augmenting their investment needs and showed confidence that participants will get major key takeaways from this workshop.
