Ref. No. – IU/DCBM/2021/56

Notice

All the Faculty Members, Research Scholars and Students are hereby informed that Department of Commerce & Business Management is conducting an **Extension Activity** on 'Plantation Drive' on July 05, 2022, Tuesday at Dasauli Village, Kursi Road, Lucknow nearby University.

The objective of the extension activity is to sensitize, create awareness and literate the rural population residing in village to understand the importance of trees around. The plantation will grow trees and helps to combat global warming by absorbing carbon-dioxide, removing and storing carbon while releasing oxygen back to air. It reduces wind speeds and cool air as they lose moisture and reflect heat upwards from their leaves. It further helps to maintain temperature in a city.

The students can contact the Program Coordinator - Dr. Farhina Sardar Khan, and Co- Coordinators Dr. Kainat Akhtar Usmani, Dr. Saurabh Bajpai, Ms. Nazia Akhlaq, Ms. Priyanka Bajpai to participate in the extension activity.
