JULY 5th2022

Faculty of Commerce and Management organized an Extension activity July 5th, 2022 under the guidance of **Prof A.K Saxena**, Dean FCM, and **Dr. Syed ShahidMazhar**, Head, DCBM to spread awareness about the importance of trees in our lives and for the environment. A total of 52 students of B.Com and BBA actively participated in the activity.

The Department arranged saplings including Neem and Guava. The students along with the Dean, Head and teachers assembled near the university playground where the Dean and the Head educated the students about the importance of trees and the need to plant more and more trees to protect the environment for a sustainable growth. The students participated in the drive enthusiastically and helped each other in planting the saplings. All the saplings were planted at a nearby village Behta in the Dasauli district. The students along with the teachers also took an oath to look after the planted saplings, plant more and more trees and encourage others to do the same. Some of the students also shared their experiences and shared their joy with others. The villagers also helped the students in plantation drive they also promised to take care of the trees planted by students.

The Activity was organized by **Criteria III Coordinator Dr. FarhinaSardar Khan** and members **Dr. Kainat Akhtar Usmani**, **Ms. Nazia Akhlaq**, **Dr. Saurabh Bajpai**, and **Ms. Priyanka Bajpai**.
