

# INTEGRAL UNIVERSITY, LUCKNOW

## Center for Career Guidance & Development

*Creating Possibilities.....Enabling Growth*

### Event Report

#### **Seminar on: - Unveiling the Future: Jio True 5G Youth Program**

The Jio True 5G Youth Program seminar, organized by the **Center for Career Guidance and Development** in collaboration with the **Department of Commerce and Business Management Studies**, Integral University, aimed to enlighten students about the transformative power of 5G technology and its impact on various sectors. The seminar, held on **December 9, 2023**, drew together students from across the university to delve into the advancements and potentials of 5G technology. **Nilanjan Mukherji, Director CCG&D**, welcomed the esteemed guests **Mr. Pranay Pathak, CEO/State Head of Reliance Jio, UP East, and Ms. Bhawna Pandey, State Marketing Head of Reliance Jio**.

Mr. Pranay Pathak's presentation navigated through the historical, current, and future trends of technology across diverse sectors. His illuminating talk elucidated the profound impact of technology evolution on realms such as agriculture, communication, aviation, and transportation. He elucidated how 5G technology is a paradigm shift, revolutionizing the way industries function and enhancing efficiency, speed, and connectivity. Mr. Pranay highlighted the market perspectives and consumer-centric benefits of Jio's 5G technology. His presentation emphasized the real-world applications and how this innovation is poised to empower the younger generation, opening doors to unprecedented opportunities.

Efficiently coordinated by **Mr. Amit Goel** from **DCBM** and **Dr. Sufia Rehman** from **CCG&D**, the event seamlessly amalgamated the academic and professional realms. In a momentous gesture, the State Business Head, Mr. Pranay Pathak, presented Integral University, Lucknow, with a **prestigious certificate**. This declaration solidified the university's status as an institution powered by the cutting-edge Jio True 5G technology. **Dr. Adeel Maqbool, Dean of DCBM**, extended heartfelt gratitude to the esteemed speakers and participants,

encapsulating the essence of the session. The seminar witnessed active participation from **100 eager students**. The interactive session was a culmination of intellectual exchanges as students posed thought-provoking questions, seeking deeper insights into the implications of 5G technology on societal, economic, and individual levels.

### **Glimpses of the session:**

The Jio True 5G Youth Program seminar served as a beacon, illuminating the immense possibilities and transformative power of 5G technology. The event not only enriched participants' understanding of technology's evolution but also sparked a wave of curiosity, inspiring them to explore and harness the potential of this cutting-edge innovation. As the world strides towards a digital future, the seminar has equipped students with insights and perspectives vital for navigating the ever-evolving landscape of technology and its impacts on society and business.
