Seminar on: Exploring Careers in the Public Sector through Aptitude Test

Date: Friday, 2nd February, 2024

The Center for Career Guidance & Development (CCG&D) is dedicated to organizing expert-led sessions aimed at preparing individuals for public sector examinations in India. One such special seminar was conducted by CCG&D aimed at educating students about various government examinations held in India. The seminar, organized in collaboration with **Physics Wallah, India's premier online ed-tech platform**, provided invaluable insights into navigating the landscape of government entrance exams. **Mr. Gaurav, the Marketing Head and Aptitude/Reasoning Trainer at Physics Wallah**, commenced the session by illuminating the theme of "*Exploring Careers in the Public Sector through Aptitude Test.*"

Attended by **115 students** encompassing diverse academic backgrounds, including **B.Tech, BCA, MCA, and B.Sc.** in Physics, Chemistry, Mathematics, and Computer Science, the seminar served as a beacon of guidance towards effective exam preparation strategies. Mr. Gaurav meticulously delineated various government exams spanning banking, railways, insurance, and public services domains. With a focus on the IBPS exam, he elucidated its pre and mains components, emphasizing the merit-based selection process and the requisite cut-off criteria. Furthermore, he expounded upon the myriad benefits availed by public sector employees.

Delving deeper into the qualifications essential for exam eligibility, Mr. Gaurav shed light on coveted opportunities in SSC central government jobs, including CHSL, stenographer roles, and railway positions such as loco pilots. He provided comprehensive details regarding age limits, educational prerequisites, salary structures, preparation timelines, and the abundance of vacancies across different public sector job profiles.

Subsequently, **Mr. Pradyuman Shukla**, the **Director of Govt Exam Wallah**, a pioneering initiative under Physics Wallah, engaged with the students, unveiling the staggering numbers of aspirants participating in public sector exams annually. He elucidated the evolutionary trajectory of examinations like SSC, transitioning from traditional pen-and-paper formats to computerized modes, leading to expedited result declarations. Mr. Shukla imparted invaluable tips and tricks tailored for exams such as railways and banking, stressing the importance of focused studying, regular mock assessments, and the cultivation of disciplined study habits and supportive peer networks for achieving success.

The session culminated with an interactive Q&A segment, wherein students eagerly posed inquiries regarding diverse exam intricacies. Dr. Sufia Rehman, adeptly coordinated the proceedings, ensuring a seamless and enriching learning experience for all participants. The seminar proved instrumental in empowering students with the requisite knowledge and guidance to embark on their journey towards excelling in government examinations and forging successful careers in the public sector.

Glimpses of the session:

Mr. Pradyuman Shukla, the Director of Govt Exam Wallah, interacting with the students

Mr. Gaurav, the Marketing Head at Physics Wallah making a presentation
