

Event Report: Seminar on “Exploring Careers in the Public Sector and Government Sectors” By Physics Wallah

Wednesday, 24th April 2024

The Centre for Career Guidance and Development (CCG&D) in association with the **Department of Bio Sciences**, Integral University, organized a Seminar on Thursday, 25th April 2024. Which was aimed at B. Com / B.Sc. (BT / Physics / Chemistry / Maths / CS) **(Final & Pre-Final year)**. The session was conducted by **Mr. Gaurav Upadhyaya (Manager Physics Wallah)**, focusing on interview preparation, guidelines, and practical insights into succeeding in the Government Examinations. A total of 59 students attended the workshop.

The workshop aimed to equip students with the necessary knowledge and skills to prepare effectively for Government job examinations. It focused on boosting student's confidence and improving their interview performance through valuable insights and practical tips. The workshop covered a wide array of crucial topics:

- Initial preparation steps before preparing for Government Examinations.
- Study of Calendars published by various Government Departments.
- Problem solving tips related to Aptitude Test.
- Norms of various Government bodies, related to the selection process.

Mr. Gaurav Upadhyaya extensive industry experience and insights greatly enriched the learning experience for the participants. Techniques to solve Aptitude Tests Questions in less time and increasing problem solving speed. He elaborated Calendars published by various Government bodies with explanation of the benefits and norms in the selection process. He motivated students to register in the vacancies and for their preparation on the Government related exams.

CCG&D ensured a seamless and productive event for the participants which was efficiently coordinated by- **Dr. Sufia Rehman**, CCG&D. The workshop enhanced Government jobs related interview preparedness of the participants. Students learned about the benefit of appearing the Government Examinations with learning and gradually achieving success in the same. They also learnt the tips for solving Aptitude test questions in lesser time, increasing the chances of selection. The workshop undoubtedly contributed to improving the students' confidence, knowledge, and employability thus preparing them for successful careers in the Government Sectors like Staff Selection Commission (SSC), IBPS PO, SBI Clerk, RBI Grade B, UP state-related, Teaching, Defense, Railway, Insurance exams etc.

Glimpses of the session:

Mr. Gaurav Upadhyaya (Manager Physics Wallah) making a Presentation

Various such programs will be organized in future for the career growth and development of the students belonging to various departments.
