

INTEGRAL UNIVERSITY, LUCKNOW

(Office of the Dept. of Civil Engineering)

Ref. No. IUL/CE/Head/2024/043

Dated: 15th June 2024

NOTICE

M.Tech Structural Engineering, Construction Technology & Management, Environmental Engineering and H&WRE (Regarding Directed Study)

As per the evaluation scheme, M.Tech students are required to go through Directed Study during summer vacation. They are advised to undergo the following works:

1. Complete the Literature survey (Minimum 25 research papers) on the allotted topic and prepare a report.
2. Training of any relevant software (of atleast 20 contact hours) or site training in consultation with their course coordinator/supervisor and submit the training completion certificate.
3. Update weekly progress to their coordinator/supervisor.

For any queries, contact the course coordinators or your supervisor.

Important Dates:

- The last date to complete the training is **16th July 2024**.
- Submission of report on literature review and training is **26th July 2024**.
