

INTEGRAL UNIVERSITY, LUCKNOW

(Office of Deptt. of Civil Engineering)

Ref. No. IUL/CE/Head/2022/049

Dated: 22nd August, 2022

NOTICE

B.Tech in Collaboration with L&T

Kind Attention: B.Tech 2nd Year Students

The Department of Civil Engineering proudly announces that an agreement has been signed between L&T Edutech and our department to offer a **joint degree program (B.Tech in Civil Engineering)** from the current session (2022-23). This is a unique opportunity for our students as Integral University is the only University/Institute in Uttar Pradesh and second in India to have this collaboration with L&T till now. L&T Construction is India's largest construction organization and is ranked among the world's top 30 contractors dealing with the most advanced construction challenges in the world. The world's largest stadium (Motera Stadium), the world's fastest metro construction (Lucknow Metro Phase 1), and the world's highest statue (Statue of Unity) is built by the engineers of L&T.

In this joint degree program (B. Tech in Civil Engineering), experts from L&T will be teaching industry-oriented courses along with the faculty of department of civil engineering. Special access to Site visits at L&T project sites, industrial training at L&T projects, and B.Tech project will be guided by L&T experts. **This opportunity will help students to be better prepared for industry and with high chance of placement with better packages.**

All the students of B.Tech Second year are hereby informed that if they wish to enroll in this joint degree program, they may write an application to undersigned for the same. For details about, courses and fee structure, the student may contact Mr. Zishan Raza Khan, Associate Professor, Department of Civil Engineering.
