**A Brief Report**  
**on**  
***Deeksharambh* (Student Induction Program) 2024**  
**organized by**  
**Department of Computer Application**  
**Session: 2024-2025**  
**Date: 1st - 3rd August, 2024**  
**Venue: Central Auditorium, Hall-1,2**

**Deeksharambh 2024- Day 1: A Comprehensive Introduction to University Life**

Day 1 of Deeksharambh 2024, hosted by Ms. Farah Zia at the Central Auditorium, aimed to orient new students and introduce them to university life. The event began with a documentary showcasing the university's history, achievements, and facilities was screened and this visual presentation provided the students with a comprehensive overview of their new academic home, highlighting its rich legacy and the various opportunities available to them. Prof. Mohammad Faisal welcomed students, stressing academic excellence and integrity.

Faculty members introduced themselves, providing insights into their backgrounds and courses. Program Coordinators, Dr. Mohd Faizan and Dr. Tasneem Ahmad, outlined undergraduate and postgraduate programs, respectively. Dr. Mohd Waris Khan demonstrated the departmental website's features, while Dr. Afreen Khan discussed placement opportunities and career support.

Dr. Anwar Bari explained IT facilities, including the Captive Portal Login and LMS-ILI. Dr. Farooq Ahmad detailed industry training programs, and Mr. Faizan Mehmood highlighted student clubs and extracurricular activities. Ms. Fiza Afreen concluded with a vote of thanks, expressing appreciation to all participants.

The day effectively integrated students into university life, covering academic, administrative, and extracurricular aspects, and set a positive tone for their future journey.

## **Deksharambh 2024- Day 1: Navigating Campus Facilities and Building Foundations**

On the second day of Deeksharambh-2024, students commenced their day by reporting to their Course Coordinators. The morning was dedicated to guided visits to key campus facilities. Students were organized into two groups and toured various sites, including the Workshop for hands-on experience, the Central Library for resource introduction, and several administrative and support offices such as Accounts, Academics, and the Women Grievance Cell. The Centre for Incubation & Entrepreneurship Development (CIED) showcased innovation opportunities, while departmental areas like HOD Offices and Faculty Rooms familiarize students with their academic environment.

In the afternoon, Ms. Farha Zia hosted a session in the Central Auditorium, Hall 1, 2. Mr. Rizwan Akhtar from the Departmental Proctorial Board emphasized discipline and academic integrity, followed by senior students sharing their experiences. The Director of CCGND highlighted career guidance and networking, and Mr. Vishal Agarwal presented ISF-CEID's opportunities. Dr. Bably Dolly, the Deeksharambh Coordinator, showed documentaries on Universal Human Values and concluded with a vote of thanks.

Overall, Day 2 provided students with a thorough understanding of campus facilities, administrative services, and community support, fostering a positive start to their academic journey.

### **Deeksharambh 2024-Day 3: Alumni Inspiration and Creative Talent Unveiled**

On Day 3 of Deeksharambh 2024, following the introduction, students were treated to an inspiring documentary highlighting the journey and success stories of university alumni. This was followed by an interactive session where former students shared their experiences and insights about university life, career paths, and personal growth. Mr. Aun Kidwai, an accomplished alumnus of our department, who has significant impact in the field of Data Science. Aun's impressive career trajectory includes roles at Tata Consultancy Services and Clavis Technologies Pvt. Ltd., where he spearheaded data analysis evaluation, developed intelligent document processing applications, and enhanced AI capabilities. The session was insightful and engaging, with Mr. Aun Kidwai sharing his journey from being a student to becoming a successful data analyst with new students. He also provided a valuable opportunity for the new students to gain firsthand knowledge and ask questions about what to expect during their time at the university. This was followed by an interactive session, where former students shared their experiences, career insights, and personal growth stories, providing new students with valuable guidance on university life.

Continued with a Talent Hunt, where students of BCA 2nd year namely Ms. Enaba Salman who recited a beautiful motivational poem, Mr. Mohammad Faizan Ansari with his team, Mohammad Sadique Khan, Kanishka Shukla, Kalpana Shukla and Aaliya Salam, displayed their diverse skills through plays. This segment highlighted students' creativity and fostered a sense of community and camaraderie. The event was well-received, with enthusiastic participation and positive feedback from both peers and faculty.

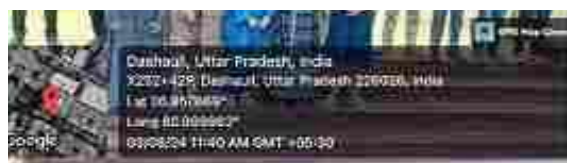

Dr. Bably Dolly concluded the day with a vote of thanks, acknowledging the contributions of speakers, participants, and organizers. She emphasized the importance of the induction program and encouraged students to use the knowledge and enthusiasm gained during the event.

Students were reminded that regular classes would commence on August 5, 2024, and were advised to check their schedules in preparation. Day 3 effectively wrapped up the induction program, offering a comprehensive introduction to university life and setting a positive tone for the academic year ahead.
