

Brief Report on Extension Activity
“Cyber Frauds Awareness”
under the
“Digital Saksharta Abhiyaan”
organized by
Department of Computer Application
Integral University, Lucknow
Date: 12 November, 2024

Technological advancement has given us a capability to transform the whole world on digital platforms for accomplishing day to day activities in all segments. The central as well as state government has also given a motivational thrust towards digital platform usage and also made aware about the pros and cons in using the same, through its various awareness campaigns.

To make the government's initiative towards cyber frauds awareness more successful, the Department of Computer Application has taken an initiative in this direction among the educational fraternity and allied community.

The Department of Computer Application organized an extension activity on **Cyber Frauds Awareness** in **Behta, Kursi Road**, which is one of the adopted villages of the university. The activity was done at **Government Girls Inter College**, in Behta.

Objectives of the activity were as follows:

1. To provide students with a fundamental understanding of cyber security, including common threats, vulnerabilities, and best practices.
2. To create awareness about the various forms of cybercrime, such as identity theft, phishing, and online fraud, and to educate students on how to protect themselves.
3. To encourage responsible and ethical behavior in the digital space and promote good cyber security hygiene.
4. To make students aware about logging in different apps that are poorly secured and how their data is being misused.

Highlights:

Under the **“Digital Saksharta Abhiyaan”**, a brief awareness talk on **“Cyber Frauds and cyber security”**, was delivered by faculty members: Mr. Shafiqur Rahman, Mr. Sumit Yadav, Mr. Qazi Saeed Ahmad, and a group of BCA, MCA students based on some real-world case study. Sadqa Faiyaz of BCA first year, Ilma Fatima Qidwai and Kanishka Shukla of BCA second year delivered a good lecture on cyber frauds and its prevention.

The students participated actively in the activity and the activity was well coordinated by **Mr. Qazi Saeed Ahmad, Mr. Shafiqur Rahman and Mr. Sumit Yadav**.

Here are few glimpses of the activity:
