Dear Students,

This is to remind you that as per the academic calendar the First Continuous Assessment (CA) for the current semester will be conducted from February 13 to 17, 2026.

Students are further reminded that, in accordance with the University Academic Policy, a minimum attendance of 75% is mandatory to be eligible to appear in the Continuous Assessment as well as subsequent examinations, as per the undertaking submitted by you at the time of semester registration.

While Fiesta and sports activities will be conducted as per the declared schedule, students are advised to note that absence from regular classes for participation in such activities may lead to academic loss and shortage of attendance. Therefore, students are strongly encouraged to attend all scheduled classes regularly and participate in extracurricular activities after their academic commitments.

Failure to maintain the required attendance may result in detention from the Continuous Assessment and/or subsequent examinations.

Students are advised to monitor their attendance regularly at the mobile app and contact their respective course teachers in case of any discrepancy.

Your cooperation in maintaining academic discipline is expected.

Best wishes for your participation in Fiesta, Sports Activities and First Continuous Assessment.
