*A Guest Lecture**on**Importance of IPR in Environmental Conservation and Protection**October 23, 2024*

The Department of Environmental Sciences is going to Organize A Guest Lecture on the “**Importance of IPR in Environmental Conservation and Protection**” on October 23, 2024 from 11:00 am onwards on online mode.

This special formal discussion is about understanding the Importance of Intellectual Property Right in Environmental conservation and Protection. The aim of this lecture is to explore the interconnectedness of intellectual Property rights and environmental balance, focusing on realistic approaches to building an environment which encourages both environmental sustainability and conservation.

Guest Speaker*Prof. Geetika,**Adjunct Professor, Asian Institute of Technology, Thailand**Retired Professor, School of Management Studies**MNNIT, Allahabad*

We extend a warm invitation to all ambitious researchers, students, and faculty members to participate in the Guest Lecture in order to enhance their knowledge and consultation with our eminent speaker.
