#### **Department of Environmental Science & Integral Institute of Agriculture Science & Technology, Integral University, Lucknow**

The Department of Environmental Science and Integral Institute of Agriculture Science and Technology, Integral University, Lucknow in collaboration with TERI, organised the valedictory function on the six-week Green Skill Development Programme (GSDP), Certificate Distribution on 18 July 2024. Under this training 30 schedule caste students were selected and successfully completed their course.

The session starts with a warm welcome by Prof. Saba Siddique, Head of Integral Institute of Agricultural Science and Technology. Prof. Abdul Rahman Khan, Dean Faculty of Science, Integral University, Lucknow also welcomed the guests and encouraged the students to take part in such a training programme. He congratulates the team Environmental Science and Team Agriculture department for a successful completion of the training.

Chief Guest of the event was Professor P.K. Bhattacharya, Associate Director and Senior Fellow, TERI. Prof. Bhattacharya explained the utilization of waste and production of different types of useful products from different types of waste, and emphasized on the growing need of doing something concrete to reduce the waste.

Miss Pallavi Shukla, Sr. programme Officer, TERI-EIACP, briefed the audience about TERI-EICP Resource Partner on Renewable Energy and Climate Change.

Ms. Anuradha Gupta, Founder & General Secretary, Prithivi Innovations (NGO), Lucknow, graced the occasion as the distinguished guest speaker, delivered valuable insights by giving live sessions example how we reduce the solid waste at the point source so that it will not mingle with other type of waste and become a problematic issue. She also demonstrated an exhibition in which her team kept different types of items which were made up of biodegradable and reuse items. She encourages the audience to implement such types of activities in daily life, she also focuses on the production of different types of useful products from different types of waste. Also, certificates of accomplishment were distributed to the students.

Around 50 participants attended the interactive session which allowed attendees to engage in meaningful discussions on a spectrum of topics.

Dr. Ambrina Sardar Khan, Head, Department of Environmental Science, Integral University, Lucknow proposes the Vote of thanks and conveyed her deep regard to Hon'ble Chancellor, Vice Chancellor, and all the esteemed guests. The Programme was observed under the guidance of Dr. Abdul Rahman Khan, Dean Faculty of Science and Controller of Examinations. The
