

DEPARTMENT OF MATHEMATICS & STATISTICS
INTEGRAL UNIVERSITY, LUCKNOW

Notice

The DQAC of Department of Mathematics & Statistics is going to celebrate “**International Day of Mathematics**” in hybrid mode on **14/03/2024 at 10:00 A.M.** on the theme ‘**PLAYING WITH MATHS**’ in **Hall-1, Central Auditorium Integral University, Lucknow**. The proposed event shall be aimed at providing a common platform for the exchange of mathematical ideas among the faculty members, research scholars, students and invited speakers.

The Department of Mathematics & Statistics is academically active in the Campus with its quality of teaching and research, inter-departmental interaction and research collaborations. Mathematics is an essential tool for almost all scientific studies. Scientists use it in designing experiments, analyzing the data, expressing precisely their findings by mathematical formulas and making predictions on the basis of these findings. Apart from this, the role of Mathematics is very significant in Social Sciences, Humanities and Management also. Economists/Engineers use computers to create mathematical models which are universally needed for successful planning of the country.

The Resource persons of the event are

1. **Dr. Muslim Malik, IIT, Mandi**; Topic: Introduction to Fractional Differential Equations.
2. **Dr. Asif Khan, AMU, Aligarh**; Topic: Playing with numbers: Computing with Digits, Remainder, Divisibility Concepts.

We cordially invite all the faculty members and students to attend the event. We look forward to your active participation.

Faculty Coordinators:

Dr. Najmuddin Ahmad
Dr. Abdul Wadood Khan
Dr. Malik Rashid Jamal
Dr. Mohammad Aamir Qayyoom
