**NOTICE**  
**INTEGRAL UNIVERSITY, LUCKNOW**  
**Faculty of Pharmacy**

**‘A slogan writing competition for awareness regarding environmental sustainability on account of World Environment Day 2023 ’**

**Dear All,**

As part of the activities instructed by UGC (Ministry of Education, GoI), to be undertaken by Higher Education Institutions in the run-up to World Environment Day 2023. in compliance with the LiFE (Lifestyle for Environment), a global movement at CoP26 launched by Honourable Prime Minister for the “mindful and deliberate utilization, instead of mindless and destructive consumption” to safeguard our Environment from the impact of Climate Change.

In view of above Faculty of Pharmacy is organizing an online slogan writing competition on June 03, 2023 on occasion of World Environment Day 2023. Slogan convey the message is the simplest form in a way that it remain in the heart and mind of anyone who come across it. The aim to perform this activity is to spread awareness among the students regarding environment sustainability which is important need and challenge for all of us.

Environmental sustainability is the responsibility to conserve natural resource and protect global ecosystems to support health and wellbeing of not only humans, but all the beings on earth.
