NOTICE: Expert Lecture

Dear All,

The Departmental Quality Assurance Cell (DQAC) of Physics Department is organizing an Expert Lecture on **“Revealing the world inside an Atom”**. The lecture will take place on **April 24, 2024 starting at 11:30 AM in Hall – 1, Central Auditorium Building in offline (face to face) mode.**

We are honoured to have Prof. Mohammad Naimuddin as our distinguished speaker for this event. Prof. Mohammad Naimuddin is working as Professor in Department of Physics and Astrophysics, University of Delhi. He is Scientific Associate at European Centre for Nuclear Research (CERN), Geneva. He is the recipient of the Indian National Science Academy (INSA) Young Scientist Medal. His current research activities are focused on Nuclear Physics and High Energy Physics. He has published around 900 research articles in national and international journals with 48486 citations and h-index of 104.

We cordially invite all faculty members and students from every program to attend this enriching lecture. Join us to gain insights into the world of atoms from a distinguished professional. We look forward to your active participation in this enlightening session.

With warm regards

Prof. Shamoan Ahmad Siddiqui
