On

“Intellectual Property Regime in India: Policies, Laws and Prospects”

National Workshop on “Intellectual Property Regime in India: Policies, Laws and Prospects” was organized by Faculty of Law, Integral University, Lucknow, on 24th August, 2019.

The program was immaculately convened by Mrs. Seema Siddiqui, Assistant Professor, Faculty of Law. In the inaugural ceremony Dr. Naseem Ahmed, Dean Faculty of Law delivered the welcome address. The inaugural session was graced by Prof. S.W. Akhtar, The Chancellor of Integral University; Chief Guest of workshop Hon’ble Justice Mr. Shabihul Hasnain, Judge High Court of Judicature at Allahabad, Lucknow Bench, Lucknow; Guest of Honour of workshop Prof. Balraj Chauhan, Vice-chancellor, Dharamshastra National Law University, Jabalpur; Prof. I.A. Khan, Registrar of Integral University; Dr. Haris Siddiqui, Coordinator IPRMC, Integral University.

The Chancellor of University Prof. S.W. Akhtar presided over the workshop. In the presidential Address he gave a brief introduction about the workshop.

Mr. Haris Siddiqui, Coordinator IPRMC, Integral University, focused on the scientific development and need of the patents in present scenario.

Chief Guest of workshop Hon'ble Justice Mr. Shabihul Hasnain, Judge High Court of Judicature Allahabad, Lucknow Bench, Lucknow, enlightened the audience on the history of Intellectual Property Rights and said that protection of Intellectual Property Right has definite benefits, such as to propagate innovative culture, profitability, market leadership and helps creation of wealth for the individual and Nation. He mentioned about the lodging of FIR in Intellectual Property Rights and efficiency of police and executive mechanism. Furthermore, he added the precautions needed to intellectuals in developing and saving the Intellectual Property Rights.

Guest of Honour of workshop Prof. Balraj Chauhan, Vice-chancellor, Dharamshastra National Law University, Jabalpur. He explained IPR as creation of mind, inventions, literary and artistic works, symbols, names, images and designs used in commerce. He stressed on the importance of IPR and need for its protection. He said that "Intellectual Property is the fuel to drive the economy." He talks about TRIPS, DOHA, BERN and Paris Conventions and the remedies developed by these conventions. The Inaugural session was given an appropriate conclusion by the expression of overall gratitude by Dr. Abhishek Kumar Singh.

The **technical session-I** was on the topic "Process of filing and Grant of Patents" and was handled by Dr. K.S. Kardam, Senior Joint Controller, Patent & Designs, Indian Patent Office, New Delhi. He explained about novelty and inventiveness of technology. He told that how with the help of creativity, invention, and marketing a concept reaches the patent protection. He explained various types of inventions that cannot be patentable and also discussed the current system procedures and work flow for patents. The first session was followed by a delicious lunch.

The technical session-II was presented by Dr. Pawan Kr. Pandey, Deputy Registrar, Office of Registrar of Trade Marks, New Delhi, on the topic "Significance of obtaining a Trademark and Geographical indications." He explained about Trademark, industrial design and geographical indications. The session was very interesting and created firsthand knowledge about Trademark, industrial design and geographical indications to participants.

The final session of the workshop was handled by Dr. Vikas Bhati, Assistant Professor, Dr. Ram Manohar Lohia National Law University, Lucknow, on the topic "Understanding Copyright Laws: Infringement, Protection and exceptions." He emphasized on Copyright Laws and Amendments. He informed about whom and how to apply for copyright and also informed about Online Copyright Registration in India. He also shared the infringement and exceptions.

Technical Sessions was followed by an Interactive Session i.e. Question & Answers, where the invited Keynote Speakers addressed questions from the audience. The workshop was wrapped up by the cumulative vote of thanks by Dr. Sadaf Khan. The workshop concluded achieving the goal of creating the knowledge for the idea with regard to the concepts of Intellectual property rights, its policies, laws and prospects in present and future scenarios.
