

Report on Guest lectures for Phd Students

Department Of Languages

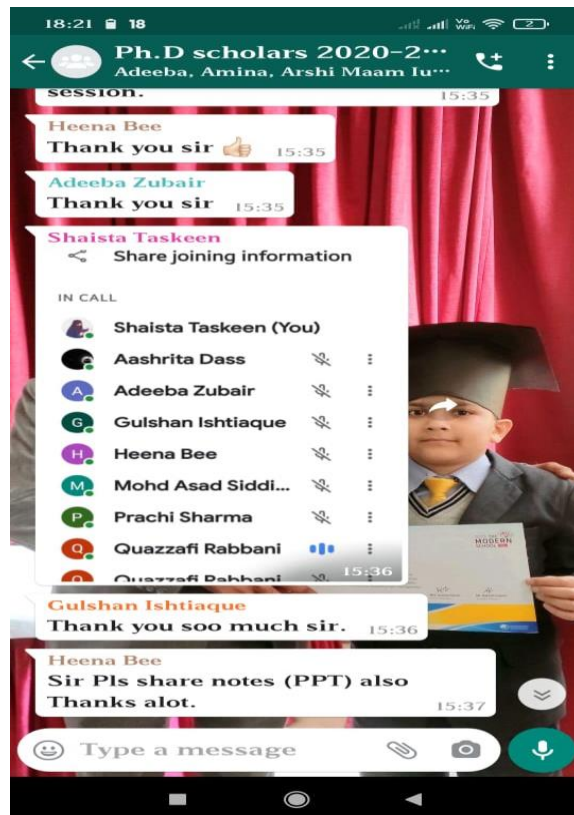

Integral University

On April 6th 2021 a guest lecture was held in the Department of Languages, Integral University titled “**Measures Of Dispersion**” under the supervision of the Head of the Department **Dr.H.M Arif**.

Dr.Qazzafi Rabbani , Assistant Professor, Department of Mathematics was the resource person for the session where he talked about range (where you subtract the lowest score from the highest score) and standard deviation (SD) – which calculates the spread of scores around the mean.

The session was truly insightful and benefitted the scholars.

At last lecture was concluded by giving vote of thanks to the resource person and to all the participants.

Regards
