

**Faculty of Pharmacy, Integral University organized Antibiotic awareness week in collaboration with Interdisciplinary Biotechnology Unit, Aligarh Muslim University, from 18<sup>th</sup> November through 24<sup>th</sup> November.**

The World Health Organization observes a week every year from Nov. 18-24 in order to increase awareness of global antimicrobial resistance. It promotes the disseminating of related knowledge and ways to prevent and minimize resistance. In this context, Faculty of Pharmacy observed World Antimicrobial Awareness Week from November, 18, 2021 through November, 24, 2021 in collaboration with Interdisciplinary Biotechnology Unit, Aligarh Muslim University, Aligarh.

**Webinar:** A webinar was held on the theme “Antimicrobials: Spread awareness, stop Resistance”. It was relayed through you tube and attracted x views. The event began with the welcome address by Prof. Syed Misbah ul Hasan, Dean, Faculty of Pharmacy, where he welcomed the speakers and discussed the context and the need for creating awareness to the community regarding antimicrobial resistance. It was followed by the keynote address by Prof. Javed Mussarat, Vice Chancellor, Integral University. Prof. Javed elaborated on the topic and enlightened the audience about this issue of serious concern. His address was followed by an expert talk by Prof. Asad U. Khan, Interdisciplinary Biotechnology Unit, Aligarh Muslim University, Aligarh. The session was concluded by vote of thanks proposed by Dr. Tarique Mahmood.
