“FINANCIAL AWARENESS AND INVESTMENT PLANNING”

**Organized by
Faculty of Commerce and Management
24 February 2022**

Faculty of Commerce and Management organizes a Guest Lecture on **Financial Awareness and Investment Planning** on 24th March 2022, 02:00 pm onwards, under the guidance of **Prof A.K Saxena**, Dean FCM, and **Dr. Syed Shahid Mazhar**, Head, DCBM to enhance the confidence level of faculty and students in financial planning. It aims to empower them with skills to manage personal earnings, spending, and savings to achieve their life goals and to develop financial strategies to meet life goals while creating wealth and making money work for them.

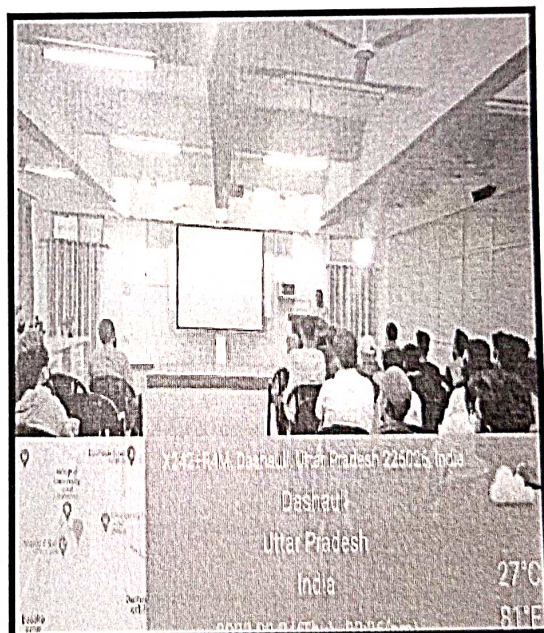

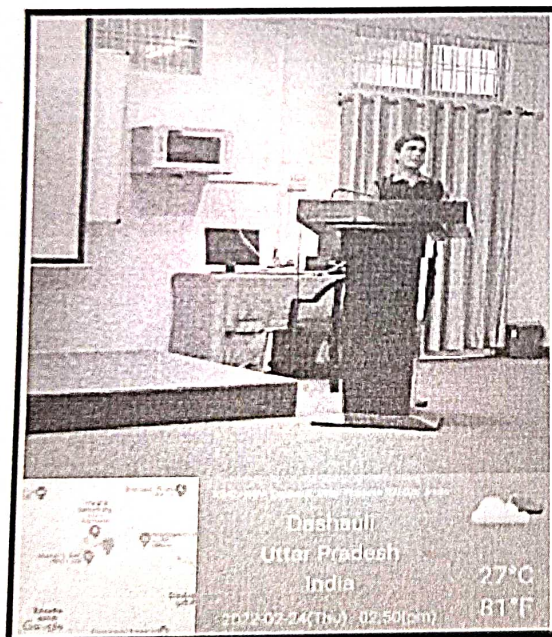

The eminent speaker for the session was **Er. C.S. Pandey**, Branch Manager, SBI, Behta Branch. In his lecture, Mr. Pandey said that the general public is not aware of the risks and returns associated with different savings and investment opportunities available in the financial market. While the Government of India and the state governments and banks are offering different saving and investment schemes, too often the different financial terms associated with these schemes are not easily understood by the common people. It has very often seen that many people continue to invest their hard-earned money in various speculative and illiquid investments which create lots of discomforts at later stages. In the above background, this lecture aimed to educate the participants about the various savings and investment opportunities available in the financial market for the common man including the risks and returns associated with each of the investment schemes.

The Faculty members and students find the Guest Lecture very informative and much needed in the current scenario. A total of 90 students attended the session. The session wrapped up with the motivational words of the Respected, Head of the Department. **Dr. Syed Shahid Mazhar**.
