ABOUT THE UNIVERSITY

Integral University is a premier university situated in Lucknow, the capital city of the largest state of India, Uttar Pradesh. It was established under Act Number 9 of 2004 by the State Government. The University is duly approved by the University Grants Commission (UGC) under sections 2(f) and 12B of the UGC Act, 1956 and all relevant statutory bodies.

In the recent past, the University has been a recipient of several prestigious awards in the education sector. The National Institutional Ranking Framework (NIRF), the most prestigious ranking by the Govt. of India, ranked Integral University as a leading institution in the country in Pharmacy in 2017 and 2018.

The University offers diploma, undergraduate, postgraduate and doctoral programs in all prominent fields like Pharmacy, Engineering, Sciences, Health & Medical Sciences, Commerce & Management, Computer Applications, Agriculture, Law, Architecture & Planning, Education, Library & Information Science and Humanities & Social Sciences.

The University offers more than 240 programs across 47 disciplines, and currently hosts around 11000 students at its 120-acre campus. The medium of instruction is English for all programs.

In a lush green, safe, serene and ragging-free environment, the campus provides state-of-the-art hostel accommodation, with the capacity to host 2600 students in the hostels and houses a 550-bedded hospital, as part of the Medical College, with state-of-the-art medical facilities, and more than 200 doctors.

The grand Central Library of the University holds more than 100,000 books and several hundreds of journals and magazines. The University lays focus on all round career advancement of students. The University has tie-ups and academic collaboration with over 50 institutions worldwide.

The University currently hosts students from more than 20 countries. Integral University has hosted several diplomats and dignitaries from African and Asian countries and enjoys the trust and support of the embassies on account of its quality education and infrastructure. The guidance and support that the University provides to its students in general and international students in particular, have brought accolades from the diplomatic community and student associations around the world.

About the Department

The Department of Languages has been a part and parcel of Integral University from its very inception. Its twin foci are Professional Communication and English Language, Grammar and Soft Skills as also ESP. The Department of Languages offers degrees at Ph.D, MA (English), BA (Hons) English as well as Certificate and Diploma Courses in German, French, Arabic, Urdu and Persian. In the footsteps of liberalization, privatization and globalization, as also because of massive expansion in various fields after the World War II such as Science, Technology, Commerce, International Relations, etc., Professional Communication and a new field of enquiry, i.e. English for Specific Purposes, emerged as dominant domains. The domains include, among others, Technical Communication, Scientific Communication, Legal Communication, Business Communication, Medical Communication and Inter-Cultural Communication.

About FDP

Faculty Development Program aims at improving the faculty perception of values education, increasing motivation, enthusiasm for transforming knowledge and disseminating communication skills. It is a comprehensive professional development plan and an imperative for every institute.

Change is a natural response to life. In our everyday life we notice that people change constantly. In India, English language education is widely believed to be an instrument of change. Because of the rapid development of industry and technology, an increasing need has been felt for improving skills of communication at all levels. So it is necessary to equip the educators with suitable teaching methodologies. Enhancement of communication skills has a profound impact on teachers to execute the onus they are entrusted with.

With the purpose of improving the linguistic skills of faculty members whose effective interaction is a vital ingredient to advance in the process of transformation of technical knowledge, this multi-dimensional program has been designed.
