**A REPORT ON
CAREER GUIDANCE WORKSHOP CGW-2022**27th to 30th June, 2022

Department of Biosciences, Integral University organized a four day career guidance workshop for students of PG program Batch 2022, from 27th to 30th June, 2022, under the guidance Dr. Snober S. Mir, Head , Department of Biosciences, Integral University. The program included lectures by eminent speakers and notable alumni of the department as well as engaging interactive sessions on career counselling and developing soft skills. This workshop was organized with the objective of guiding students for choosing the right career and training the students for attainment of professional skills required in CV/resume writing, presentation and job interviews.

DAY 1 started with welcome address by the convener of the workshop, **Dr. Snober S. Mir**, Convener CGW-2022 and HOD, Department of Biosciences, Integral University. The inspiring inaugural address was followed by a lecture on *Career opportunities in Science* by **Dr. Meher Hasan Asif**, Senior Principal Scientist, CSIR-NBRI, Lucknow. She discussed with the students about various job/career opportunities available for them after completing their PG course. She also counseled the students to hone their skill sets and to be focussed if they aspire to be successful.

On DAY 2 **Dr. Sarika Singh**, Principal Scientist, CSIR-CDRI apprised them about how to face and crack interviews for recruitment in projects of CSIR and other funding agencies. She also made them aware about dos and don'ts during job interviews. The second lecture was delivered by **Dr. Syed Tasleem Raza**, Professor, Department of Biochemistry, Era Medical College, Lucknow on *Career skills and opportunities in Medical Research* in which students were advised to introspect and develop a planned approach towards their career in the medical field. The interactive session on day 2 was briefing the students about how to make an effective PowerPoint presentation conducted by **Dr. Amita Dubey**, Assistant Professor, Department of Biosciences.

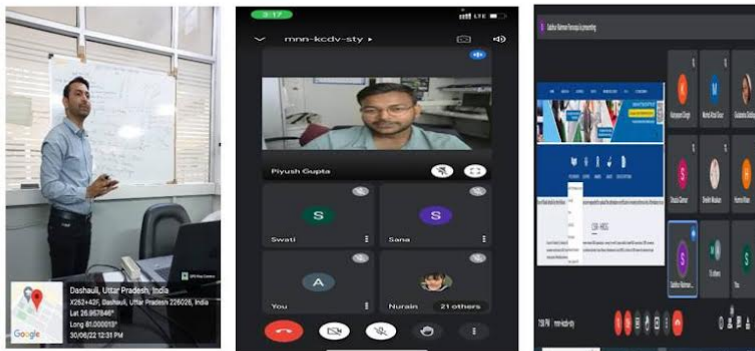

On DAY 3 **Dr. Sabihur Rahman Farooqui**, Assistant Professor, Department of Biosciences informed students about different fellowship/scholarship avenues such as scholarships given by CSIR, DBT, DST,ICMR etc. The session was followed by an interactive session on SWOC Analysis by **Dr. Swati Sharma** Assistant Professor, Department of Biosciences, in which students were informed about the use of SWOC analysis in real life situations including selecting the right career option.

DAY 4 started with session on strategic preparation of competitive exams such as NET/GATE by **Mr. Raza Waris**, alumnus, *M. Sc Microbiology (2015 batch)*, Assistant Professor, Shri Jai Narayan Mishra PG College, Lucknow who recently qualified UPHESC 2022 recruitment for post of Assistant Professor. **Career counselling** Session by CCGND included lectures on 'How to make an effective CV' and 'How to face a job interview successfully' by **Dr. Sufia Rehman**, Training and Development Incharge, CCGND. These sessions educated the students about how to design functional and chronological resumes and also empowered them to prepare themselves for job interviews. The students were enlightened about the available international fellowships and the procedure to apply for them by **Mr. Piyush Gupta**, alumnus, *B. Sc Biotechnology (2015 batch)* and *M.Sc Biotechnology (2017 batch)* currently working as a researcher in Albert Ludwigs University of Freiburg, Germany. The workshop ended with a discussion and vote of thanks by the organising secretary.
