Extension Activity on

"Hygiene & Nutrition Awareness Program"

Date: 15.03.2019

Department of Commerce & Business Management has organized a "Hygiene & Nutrition Awareness Program" under extension activities conducted by the department. The student members of Social Innovation & DSW Club of the department were played major role in organizing this program successfully.

In this awareness program about 250 students including those from other departments visited the schools near university campus and counseled primary school children about the importance of Hygiene & Nutrition for life through various playing activities.

Dean and Head of the department appreciated the students who have participated in this social program and motivated those students who have organized the program to continue such kind programs in the department.
