FACULTY OF COMMERCE AND MANAGEMENT
INTEGRAL UNIVERSITY, LUCKNOW**

Date: 19.04.2022

Ref. No. – IU/DCBM/2021/54

Notice

All the Faculty Members and Research Scholars are hereby informed that the **Faculty of Commerce and Management**, Integral University is organizing a One Day Workshop on **Introduction to Meta-Analysis** on **April 28th, 2022, Thursday**. The eminent speaker for the session is **Mr. Deepak Verma**, Assistant Professor, Jindal Global Business School, Sonipat Haryana.

The Workshop is intended for Research Scholars, Faculty Members, and Final Year Graduate and Post Graduate Students to enable them to learn the performance and working of Meta-Analysis. The workshop is focusing on conceptual and mathematical approaches of Meta-Analysis. After workshop, it will help participants to know the techniques to choose a statistical model, understand and use comprehensive meta-analysis software and perform simple meta-analyses and more advanced meta-analyses.

Platform: Google Meet

Time: 2:00 pm onwards

**Brief Report on One-Day Workshop on
"META-ANALYSIS", April 28, 2022**

The Faculty of Commerce and Management organized a One-Day Workshop on "META-ANALYSIS" on April 28, 2022, through the virtual platform (Google Meet) under the guidance of Prof. A. K. Saxena Dean, FCM and Dr. S. S. Mazhar, Head, DCBM. This workshop was meant for Faculty members, Research Scholars, PG Students. In total, 152 participants registered for the workshop. The objective of the session was to cover all aspects of systematic review and meta-analysis and will provide participants with hands-on experience with the software and practical aspect of the subject.

The speaker of the seminar was Dr. Deepak Verma. He is currently working as an Assistant Professor, at Jindal Global Business School, Sonipat, Haryana. His specialization is Marketing. He holds a doctorate (Ph.D.) from the Indian Institute of Management, Lucknow. He has a bachelor's degree from NIT Jamshedpur and PGDM from IIM Kozhikode.

The Dr. Deepak lucidly cleared out the concept and relevance of performing Systematic Literature Reviews (SLR) and meta-analyses in research. Meta-Analysis and SLR are the methods of evidence synthesis that present results by combining and analyzing data from different studies conducted on similar research topics. These methods will help to produce the highest quality of research and recently there is an upsurge in the usage of systematic literature review and meta-analysis in various fields by experts. This method of research is extremely useful in the era where a huge amount of research is produced each year, often with conflicting findings. In those instances, systematic review and meta-analysis can offer scientifically sound and powerful alternatives that can overcome the difficulties in addressing bias, heterogeneity, and quality of the studies. He also discussed various guidelines for conducting systematic reviews and meta-analyses to help standardize the independent study findings and to improve their quality.

The seminar was coordinated by the Department NAAC Criteria 3 team, in-charge & members viz Dr. Farhina S.Khan, Dr. Kainat Akhtar Usmani, Ms. Nazia Akhlaq and Dr. Saurabh Bajpai. The moderator of the session was Ms. Priyanka Bajpai.

The seminar proved to be very informative for all the participants and got a lot of appreciation from faculty members and scholars. The participants were given a certificate of participation for the same.
