

**NOTICE**  
**Department of Physics**

Date: 4<sup>th</sup> September, 2019

Dear All,

This is to inform that Dr. Rajlaxmi Srivastava, Associate Professor, Institute of Management, Commerce and Economics, Shri Ramswaroop Memorial University, Lucknow, will deliver a lecture on 12<sup>th</sup> September, 2019 at 11:00 a.m. in academic block III, room no. NLT-5.

The title of the lecture is "**Gender Equality**".

All are cordially invited to attend the lecture.

The attendance is mandatory for the students of M.Sc. Physics and B.Sc. (PME) students.

Dr. Seema Srivastava  
Head (Actg.)  
Department of Physics

Head  
Department Of Physics  
Integral University  
Lucknow

## Department of Physics

### Integral University

#### Guest Lecture Report

#### Topic: Gender Equality

Department of Physics, Integral University organized a Guest lecture on the "Gender Equality" by Dr. Rajlaxmi Srivastava, Associate Professor, Shri Ramswaroop Memorial University, Lucknow on 12<sup>th</sup> September, 2019 between 11:00 a.m. - 12:20 p.m. in Room No. NLT-5 of Academic Block - III. This lecture was attended by all the faculty members of Department and nearly 125 students of B. Tech., B. Sc. and M. Sc. courses.

#### Summary of Lecture:

Gender Equality is a burning issue and we all are aware that no society can progress while suppressing the rights of women. Also, women safety is one more big issue which should be taken into consideration by all of us. Not only women, men should also be an integral part of it as it affects all of us. Gender equality isn't only about women, but men too. Gender equality not only means women empowerment but also about how to approach every person as a human being because it is the fundamental principle of community law.

Department Of Physics  
Integral University  
Lucknow

To throw more light on this subject, Dr. Rajlaxmi Srivastava, delivered a lecture on Gender Equality. The main aim of the lecture was to educate the students and the faculty members about the legal and social aspects of gender equality and the fundamental rights given by the constitution of India to the women. Apart from this, she also informed about the various amendments made in the laws related to women in the recent times. She also said that "Gender equality will be realized in actual sense when both women and men enjoy the same rights and opportunities in all the sectors, including economic participation and decision-making". She also emphasized that "it is the collective responsibility of everyone to encourage the women to get access to more number of opportunities so that they can make decisions and choices of their own".

It was a learning and interactive session for the students as well as faculty members where she answered all the queries put up by the students to their full satisfaction.

The Lecture started with the introduction of Dr. Rajlaxmi Srivastava by Ms. Tahira Khatoon, Faculty, Department of Physics. Dr. Rajlaxmi Srivastava was welcomed by Ms. Preeti Dixit of M.Sc. 1<sup>st</sup> Year by presenting her a bouquet on the behalf of Department of Physics, Integral University. Dr. Seema Srivastava, Head, Department of Physics, presented her with a memento as a gesture of honour. The lecture ended on a very enthusiastic and satisfying note by vote of thanks given by Ms. Tahira Khatoon.
