Scope of Webinar:

The present world of Commerce and Accounting is open to the changes taking place in multiple fields like social, legal, and technological. These changes in the field of Commerce and Accounting are influencing business and are leaving an impact on the operations involved in Commerce and Accounting. User-friendly technology makes operations faster, transparent, and law-abiding in the interest of the stakeholders. However, this two-day national webinar on 'The Recent Trends in Commerce and Accounting' covers the areas of green accounting, 'Trends in Accounting', E-Commerce, Forensic Accounting, Crypto Currency and Green Banking.

About the College:

Government Degree College Dronachalam was established in the year 1979. Since the establishment it has been serving the society with its full potential.

The GVRs Government Degree College, Dronachalam was established in 1979 in Kurnool District. There was no Degree College for the students who completed intermediate and they were deprived of degree education. With the untiring efforts of local Philanthropist Sri. G.V. Rathnam Shetty, who donated six acres of land and one lakh of rupees for the construction of building. At present the college has 06 Acres of Land with 14 Rooms and 1 Seminar hall. The college was accredited with "B" Grade by NAAC.

Since the Establishment BA and B.Com courses were offered in this college and in the year 2008 Science courses BSC (MPC, MPCs, BZC) were added catering to the needs of the students.

NCC unit is sanctioned to the college in the year 2022.

The college is progressing to achieve academic excellence with the support and efforts of the staff over the years.
