## A Brief Report on the One-Day National Workshop on

### *“Intellectual Property Rights”*

The Department of Chemistry at Integral University, Lucknow, organized a one-day national workshop on “Intellectual Property Rights (IPR)” on October 17, 2022. The workshop aimed to develop awareness about the significance of IPR in professional development, employment, and skill enhancement. In today's digitized world, the risk of intellectual property theft has increased, especially in developing countries like India, making it important to establish robust IP protection for economic growth.

**Date:** 17<sup>th</sup> October, 2022

**Venue:** Department of Chemistry, Integral University, Lucknow.

**Organizers:** Dr. Naseem Ahmad and Dr. Iqbal Azad

**Workshop Sessions:** The workshop comprised two technical sessions, providing participants with insights into IP-related topics and showcasing innovative ideas.

**Technical Session I:** **Dr. Yusuf Akhtar**, Assistant Professor from the Department of Biotechnology, Babasaheb Bhimrao Ambedkar University, Lucknow, delivered a talk on intellectual property rights (IPRs). His presentation shed light on the legal ownership of patents, trademarks, and trade secrets, emphasising the significance of IPR in the healthcare industry. **Dr. Akhtar** shared examples of pharmaceutical companies utilising trademarks to protect their drugs and discussed the importance of branding and marketing in the healthcare sector.

**Technical Session II:** The second session involved selected participants presenting their innovative ideas in an online format. This session provided an opportunity for attendees to showcase their research and receive feedback from their peers and experts.

The technical session-I was hosted by **Dr. Saimah Khan**, Associate Professor, Department of Chemistry, and **Prof. Abdul Rahman Khan** (HoD) introduced the department and the workshop. **Dr. Akhtar**, within a few words, delivers the full essence of the workshop; their kind words were very helpful in helping me understand the significance of the program. **Dr. Tahmeena Khan** introduced **Dr. Yusuf Akhtar**, Assistant Professor, Department of Biotechnology, Babasaheb Bhimrao Ambedkar University, Lucknow, India.

**Dr. Yusuf Akhtar**, an eminent resource person, has an extensive academic background and research experience. He has obtained a Ph.D. in biochemistry from the University of Hyderabad and has conducted research at prestigious institutions like the European Molecular Biology Laboratory in Hamburg (Germany). **Dr. Akhtar's** research interests lie in therapeutic targets for microbial pathogens and the sustainable development of microbes. He has served as an editorial board member and reviewer for numerous international journals, demonstrating his expertise in the field.

Technical session II was composed of 10 presentations of innovative and entrepreneurial ideas. The participants, including science faculty members and research scholars, found the workshop sessions informative, valuable, motivational, and applicable. **Dr. Akhtar's** guidance and experiences provided insights into future goals and aspirations related to IPR. The attendees actively engaged with the speaker and posed queries, which were answered comprehensively. The one-day national workshop on intellectual property rights organized by the Department of Chemistry at Integral University proved to be a resounding success. The active participation of research scholars, faculty members, and heads, along with the valuable contributions from the speakers, including **Dr. Yusuf Akhtar**, **Dr. Naseem Ahmad**, and **Dr. Iqbal Azad**, ensured the seamless execution of the workshop. The event not only enhanced the understanding of IPR but also motivated participants to protect and leverage their intellectual assets for future success.

The program ended successfully with a vote of thanks delivered by **Dr. Saimah Khan** to our valuable speakers, faculty coordinators **Dr. Naseem Ahmad** and **Dr. Iqbal Azad**, for their extraordinary approach to successfully conducting this workshop. She also thanked **Prof. Abdul Rahman Khan**, Head of the Department of Chemistry, for his cooperation and Dean of the Faculty of Science for his inspiration to conduct this event smoothly. The program was a resounding success due to the active participation of the research scholars, colleagues, faculty members, and heads.
