REPORT

Brief Report on the Slogan Writing Competition on World Osteoporosis Day
Organized by Department of Physiotherapy, Integral Institute of Allied Health Science & Research, Integral University, Lucknow on 20th October 2023

The Department of Physiotherapy (IIAHSR) organized an educational slogan writing competition on World Osteoporosis Day on 20th October 2023.

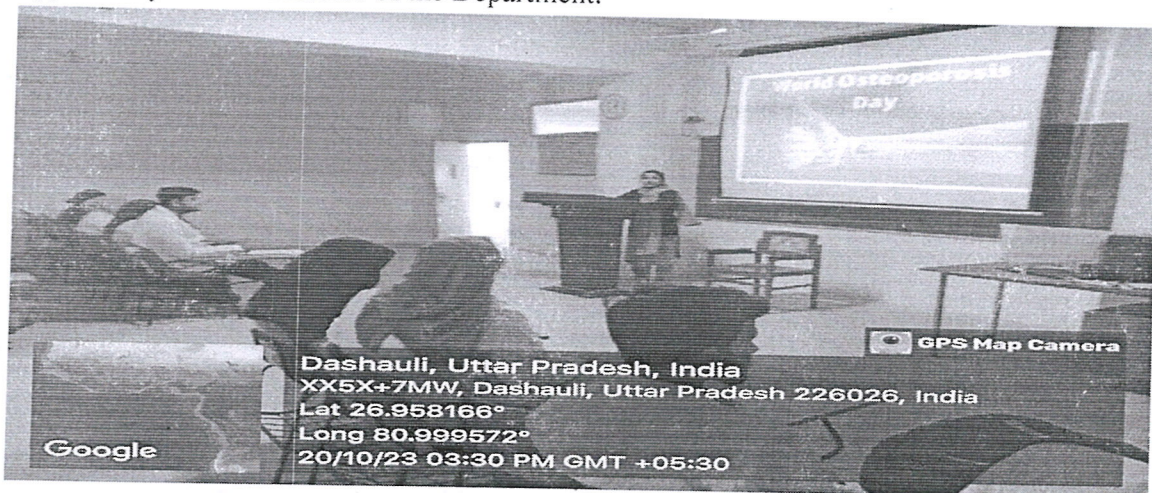

Osteoporosis causes bones to become weak and fragile, so that they break easily – even as a result of a minor fall, a bump, a sneeze, or a sudden movement. Fractures caused by osteoporosis can be life-threatening and a major cause of pain and long-term disability.

World Osteoporosis Day is observed annually on 20 October, and launches a year-long campaign dedicated to raising global awareness of bone health, and of the prevention, diagnosis and treatment of osteoporosis and metabolic bone disease.

Students showed their writing skills by writing beautiful slogans related to osteoporosis its awareness, prevention and treatment. The entire event was very creative and informational.

After the competition the students were given time to discuss among themselves. Approximately 100 students attended the program.

The event was concluded with a vote of thanks by Dr. Hera Naeem. The program was actively supported by all the members of the Department.
