The Program Coordinators:

1. **Mr. Parameshwar**, Assistant Professor
2. **Ms. Salman Khan**, Assistant Professor
3. **Ms. Shreya Sinha**, Lecturer
4. **Mr. Khurshid Ahmad Khan**, Lecturer

About the Theme

This year, 2024, the Cervical Health Awareness Month Theme is "**Learn. Prevent. Screen**". The theme emphasizes the necessity of educating people with knowledge about minimizing cervical cancer risks and the life-saving importance of regular screenings.

Importance of Cervical Cancer Awareness Month

Cervical Cancer Awareness Month 2024 serves as an important reminder for prioritizing women's health. This yearly observance highlights the preventability of cervical cancer through HPV vaccination and frequent checkups. The month's goal is to empower women with knowledge by encouraging open talks and breaking down societal taboos, promoting a proactive approach to health. Let us work together to remove stigma, assist survivors, and eliminate cervical cancer. In January, join the effort to raise awareness, teach, and make the future healthier for women around the world.

In India, there are an estimated 365.71 million women over the age of 15 who are susceptible to cervical cancer. India has a significant impact on global cervical cancer statistics, with approximately one-third of all deaths and a high number of newly diagnosed cases each year. It is estimated that 6.6% of women in the general population currently have cervical HPV infection.

Event Schedule:

8:30 - 9:00 AM: Registration & Welcome

Event Organizers: The event kicked off with a warm welcome from the organizing committee, ensuring a smooth registration process for all attendees.

9:00 - 9:30 AM: Inauguration Ceremony

Guest of Honor:

Dr. Prof. Annie Chandra (Dean, IINSR)

Mr. Farzand Ali (Principal, IINSR)

Prof (Dr.) Annie Chandra's
Dean, Faculty of Nursing
Integral University Lucknow

The inaugural ceremony was graced by esteemed personalities who shared insights into the importance of women's health. Dr. Prof. Annie Chandra, and Mr. Farzand Ali collectively set the tone for the day's events.

9:30 - 10:00 AM: Awareness Rally

B.Sc Nursing 3rd Year 6th Semester Students: A vibrant and energetic awareness rally was organized by the enthusiastic B.Sc Nursing students, highlighting the significance of women's health in the community.

10:00 - 10:30 AM: Skit on Cervical Cancer

B.Sc Nursing 3rd Year 6th Semester Students: The students presented an engaging skit on cervical cancer, creatively portraying the causes, symptoms, and preventive measures associated with this health issue.

10:30 - 11:00 AM: Interactive Debate on Women's Health

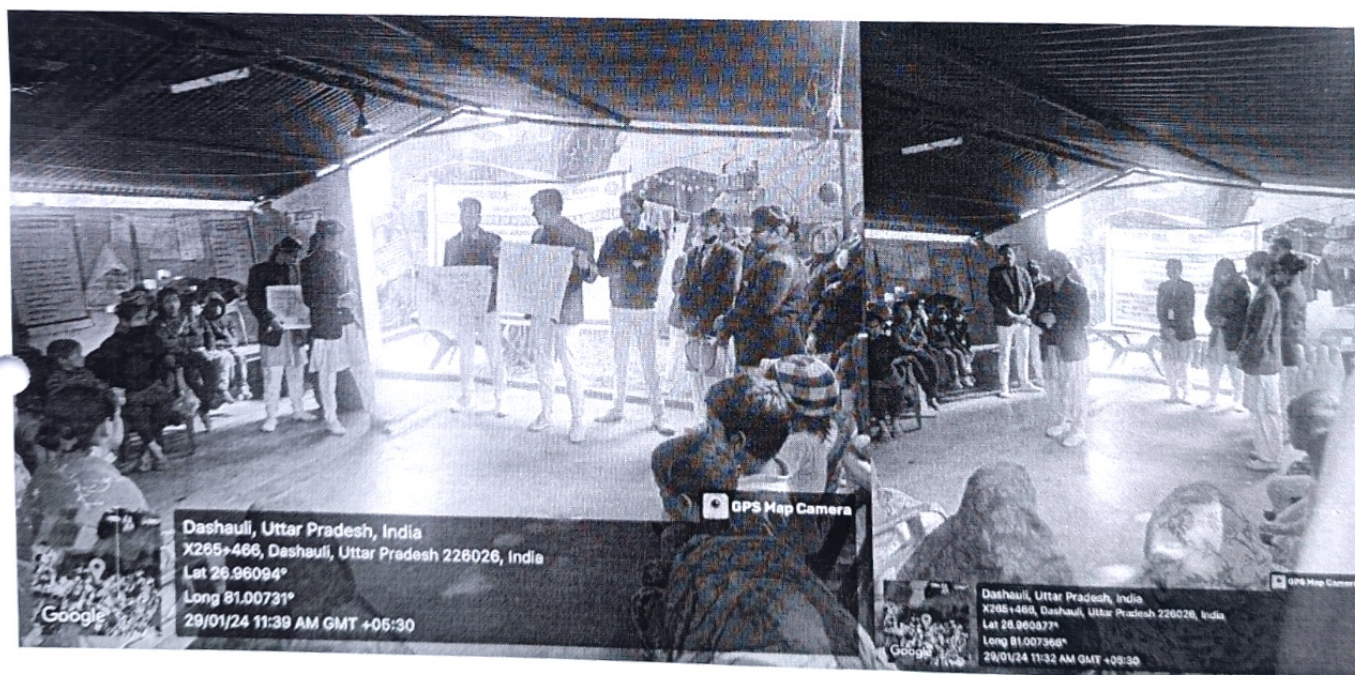

B.Sc Nursing 3rd Year 6th Semester Students: A thought-provoking debate ensued, led by the B.Sc Nursing students, discussing various aspects of women's health. The interactive session provided valuable insights and encouraged audience participation.
