Dear All,

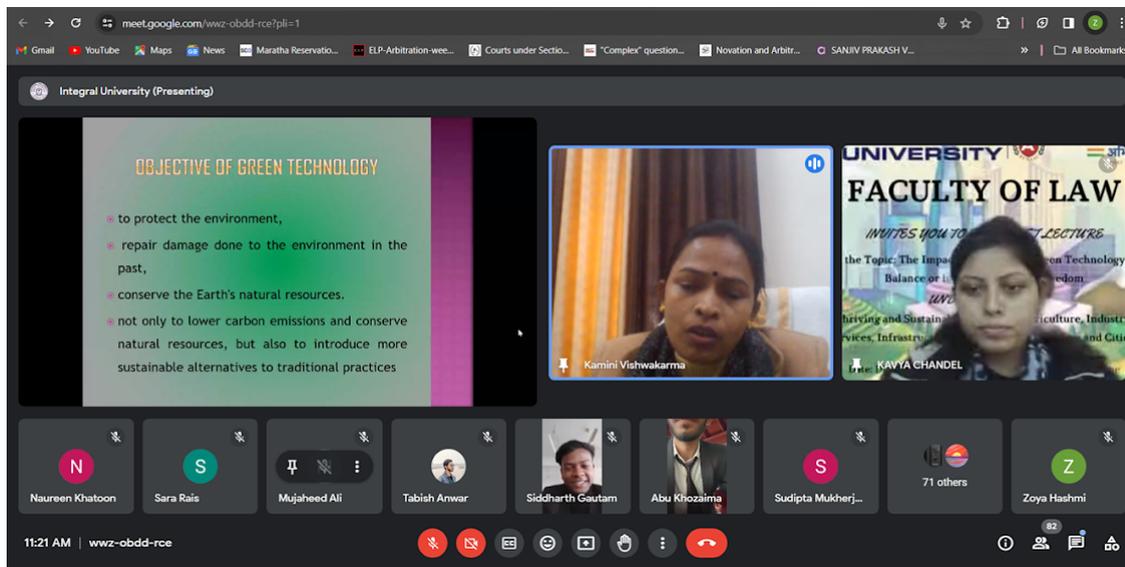

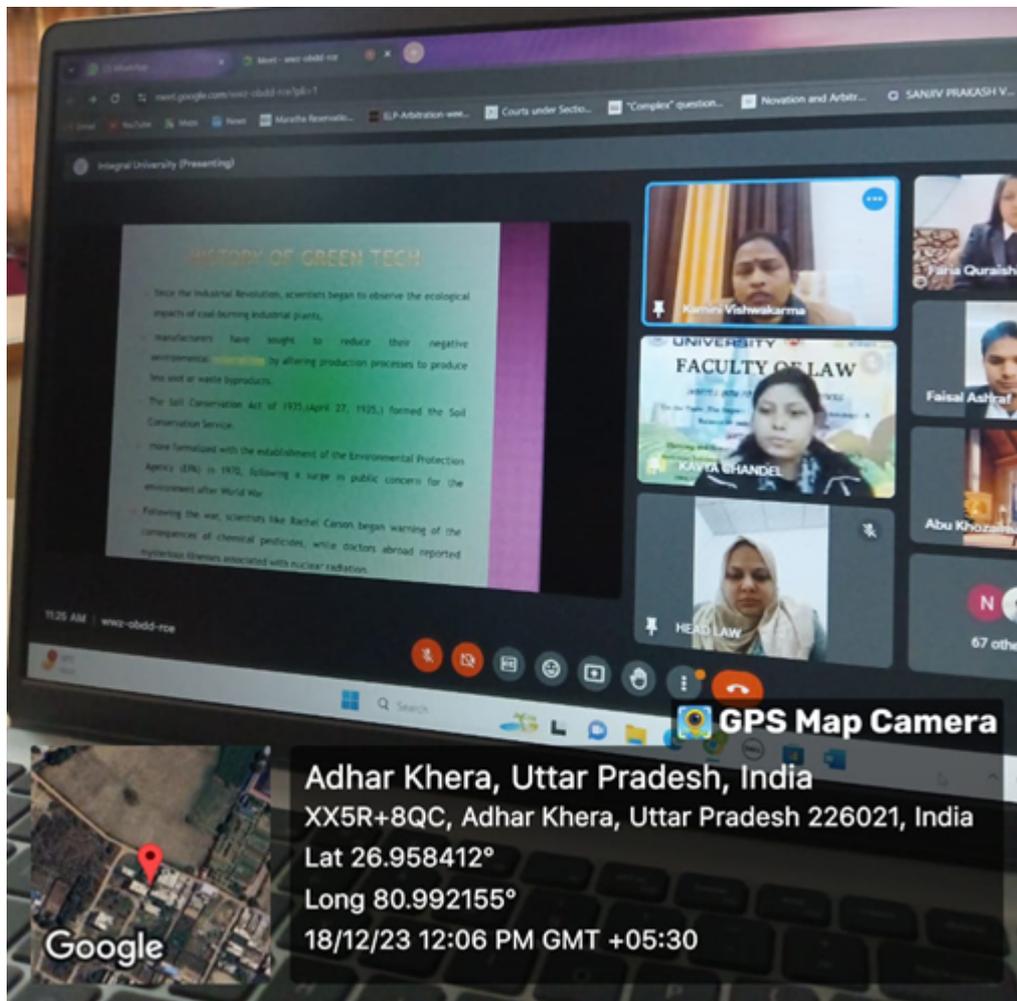

Faculty of Law has organized a guest lecture on **“The Impact of Sustaining Green Technology: A Balance or Imbalance to Legal Freedom”** under the theme **“Thriving and Sustainable Economy (Agricultural, Industry, Services, Infrastructure, Energy, Green Economy, Cities)”** towards **Viksit Bharat @ 2047**, on **18th December 2023** via google meet platform from 11:00 am onwards. The Resource Person of the event was **Ms Kamini Vishwakarma**, Assistant Professor, Department of Law, Mahatma Jyotiba Phule Rohilkhand University. The event was conducted under the guidance of **Prof. (Dr.) Naseem Ahmed**, Dean, Faculty of Law and **Dr. Seema Siddiqui**, H.o.D, Faculty of Law. The event was attended by eighty-plus attendees, accompanied by faculty members in the department.

Viksit Bharat @ 2047 is the vision of the Government of India to make India a developed nation by 2047, the 100th year of its independence. The vision encompasses various aspects of development, including economic growth, social progress, environmental sustainability, and good governance. In alignment with the **national mission** championed by **Prime Minister Shri Narendra Modi Ji**, and following the guidelines released by the **University Grants Commission** this lecture aimed to deepen our collective understanding of the ambitious vision set forth for a developed India by the year 2047. The event commenced with the welcome of **Ms Kamini Vishwakarma**, our esteemed guest lecturer who highlighted and well explained the theme and its related scope. The Guest Lecture delved into key areas and goals outlined for the nation's development, covering vital aspects such as Agriculture, Industry, Services, Infrastructure, Energy, Green Economy, and Cities. Participants had the unique opportunity to showcase their insights and contribute to the discourse that shapes the destiny of our nation.

The lecture fulfilled **UN’s Sustainable Development Goals 4, 7, 8, 9, 11 and 12** i.e., Promoting Quality Education, Affordable & Clean Energy, Decent Work & Economic Growth, Industry Innovation and Infrastructure, Sustainable Cities & Communities, & Responsible Consumption and Production. Our theme also coincided with the Value Framework of the NAC. The key points of the lecture were green technology, sustainability, legal Freedom, Balance or imbalance between the new technology and maintenance of fauna and flora. Students learned about the objectives of Green Technology and the benefits of the same for the developing countries.

Event Coordinator: Dr. Kavya Chandel, Assistant Professor, Faculty of Law coordinated and hosted the program.

Student Coordinators of the Event: Zoya Hashmi, Aditya Dwivedi, and Mohd. Ayaz Raza.

Regards,
Dr. Seema Siddiqui,
Head of the Department
