**BRIEF REPORT ON
HINDI DIVAS PROGRAM**14TH SEPTEMBER, 2023

Organized by

FACULTY OF EDUCATION

Hindi Divas is celebrated on September 14 every year in the country. History says that after independence on 14 September 1949, the Constituent Assembly had decided to give official language status to Hindi Language. At that time, most of the work of the government was done in English language, but considering the diverse culture of the country, the need was felt for a language that could connect most parts of the country. After much deliberation, Hindi was chosen as the official language for this. Therefore to commemorate and celebrate the popularity of Hindi throughout the nation, Hindi Divas is celebrated on 14th September each year. The first Hindi Day was celebrated in 1953.

On account of this, Faculty of Education celebrated the हिंदी दिवस on theme "हिंदी भाषा की चुनौतियाँ: वर्तमानसन्दर्भमें" in Hall-3, Central Auditorium Building. To celebrate the day two activities were conducted viz. "Just A Minute" (क्षणिका) and "Complete the Idiom" "मुहावरा पूर्ति", in which students participated enthusiastically. The Programme was pioneered with a motivating speech by the Head of the department, Prof. (Dr.) A.K. Lodi. In his speech, he highlights, "Mother tongue connects us with nationality and also inspires the feeling of patriotism. A skilled communicator will be as sensitive towards his mother tongue as he is towards the content". After that students of D.El.Ed. Deepa and Nida recited Hindi poems and expressed their love for their mother tongue.

In "Just a Minute" activity spot topics were given to the students by making them choose a paper chit from a box and express their views on that topic. Topics were related to the various challenges before Hindi Language in present circumstances. A total of thirteen students participated in the activity. The Judgments for this competition were given by two internal experts Dr. Eklak Ahmad and Dr. Azkiya Waris. They also expressed their views on the usefulness of a mother tongue in Personality development of any person. They admired that such activities will make a remarkable impact on the all-round development of students. The next activity was "Complete the Idioms" in which incomplete Idioms were presented before participants and answers were taken.

In addition to this, faculty members expressed their views on the occasion. Dr. Smita Srivastava expressed in her speech the importance of Hindi Language and said that "the identity of the Hindi language has played an important role in national integration". She further narrated a story about the functions of language, which was well appreciated by the students. Dr. Sania Kulsum expressed her views on the importance of using correct grammar in any language. She added that language is very helpful in revealing the skills, emotions and knowledge of the people. Dr. Vivek Rogers highlighted in his speech that "Strategies for promotion of Hindi Language is very important in the present circumstances. Language is just a medium of expressing the views regarding any feelings, so it should not be judged only within the criteria of knowledge".
