**FACULTY OF EDUCATION  
A Brief Report  
On  
Value Added Course  
Empowering through digital education  
(EDV-23-01)  
18<sup>th</sup> September to 6<sup>th</sup> October, 2023**

The Faculty of Education, Integral University, Lucknow has organized an online-Value Added Course on "Empowering through Digital Education" from 18<sup>th</sup> September 2023 to 06<sup>th</sup> October 2023. This course was especially framed for all the UG and PG course students of all departments throughout the university. The Course was conducted with the support of authority and faculty members who had smoothly completed all the tasks to make it a complete success. It was conducted in virtual mode through 5 modules over a period of 15 days. Each module includes 5 Hrs Lecture excluding 1 Hrs Quiz.

The value-added course on "Empowering through Digital Education", is designed to empower prospective teachers and other professionals with the essential skills and knowledge to enhance digital proficiency. This comprehensive program aims to equip participants with the tools necessary to enhance their digital skills with the motive to become professionally competent and positively impact their interactions with students, colleagues, and the overall working environment.

Digital Education will also help to achieve the Sustainable Development Goals (SDG 4) which is aimed to guarantee integrative and equal quality education and promote opportunities for lifelong learning for all by 2030. Throughout the course, participants will get acquainted with the necessary skills and explore various strategies to develop and apply these skills effectively.

The course objectives were to equip the learners with the different digital India initiatives and make participants aware of cyber ethics, cyber bullying, and other digital threats. The participants were enabled to communicate and collaborate in the digital world with the medium of several digital tools. On a broad dimension the program was helpful for learners to acquaint them with the digital world and its needs.
