In alignment to the vision of the University and its Programs where Industry Exposure & Field Visits are the key aspects for quality education and imparting excellence in a way that the Sustainable Development Goals set by the United Nations are met, The 'Photography Club' of Faculty of Architecture, Planning & Design organized a *Photography Workshop in Mysore, Karnataka* for students of the Photography Club while they were on Educational Tour, which encompasses undergraduate students from Architecture and Product & Interior Design streams of the Faculty, on Saturday 17th February 2024.

Photography workshops are an excellent way to enhance one's skills, explore new techniques, and connect with fellow photographers. The Photography Workshop was aimed to explore picturesque locations while refining your photography skills. Students were explained the techniques and basics of Photography. The workshop also let students have experiential learning beyond the classroom for their elective subject of Photography offered in both streams. The focus of the workshop was on the genre of Architectural Photography where students had the opportunity to explore in detail *St. Philomena's Cathedral, Mysore Palace* and the *Resting place of Tipu Sultan*.

The Photowalk was well coordinated by Student Club Member Madeeha Mursaleen and Faculty Members Ar. Abdul Quadir, Ar. Mohammad Noman Mansoori & Ar. Fahad Aslam under the guidance of Prof. (Ar.) Zeba Nisar, Dean, FoAPD and Prof. (Dr.) Safiullah Khan, Head, Department of Architecture.
