### **The Two-Day Workshop on “Artificial Intelligence in Teaching and Research” organized by the Department of Languages in Collaboration with the Ministry of MSME-Technology Development Centre (PPDC), Government of India Society**

It is a matter of great pleasure that the Department of Languages successfully organized the Two-Day Workshop on “Artificial Intelligence in Teaching and Research” in collaboration with the Ministry of MSME-Technology Development Centre (PPDC), Government of India Society from 29 to 30 November 2023. The workshop aimed to comply with the “Vision of India AI”, which is to make it the global AI superpower, creating a model of responsible and ethical AI – for India and the world getting India and its workforce ready for the AI-Wave.

The inaugural of workshop was graced by eminent dignitaries, Prof. Aqil Ahmad, Advisor to Hon’ble Chancellor and Pro-Vice Chancellor, Integral University, Prof. Abdul Rahman Khan, Controller of Examination, Integral University, Prof. Syed Aqeel Ahmad, Director, HRDC, Integral University, and Prof. Shahid Ali Khan, Dean, Faculty of Humanities and Social Sciences, Integral University, Lucknow.

The sessions of the workshop were conducted by noted resource persons, Ms. Gauri Kapur, Director and Founder, Digital Dronacharya, Google Certified Digital Marketer and AI Trainer, Haryana, Mr. Akash Sharma, Director and Co-Founder, Digital Dronacharya, MSME Certified Trainer and AI Trainer, Haryana, and Ms. Nancy Dilawar, SEO Specialist and AI Trainer, Haryana.

The Day-One of the workshop commenced with the welcome of dignitaries and participants by Prof. H.M. Arif, Head, Department of Languages and Convenor of the workshop. It was followed by the floral presentation and address by the eminent guests. Prof. Shahid Ali Khan, Dean, Faculty of Humanities and Social Sciences, acknowledged the organizers and the resource persons for the innovative workshop and motivated the participants to learn sincerely from the expert speakers. Prof. Syed Aqeel Ahmad, Director, HRDC, congratulated the organizers for conducting a meaningful workshop in the age of technological advancement and inspired the young participants to make India a global AI superpower. Prof. Abdul Rahman Khan, Controller of Examination, encouraged the participants for the judicious use of technology, and advised them to depend more on human intelligence for reaping the benefits of artificial intelligence. Prof. Aqil Ahmad, Advisor to Hon’ble Chancellor and Pro-Vice Chancellor, significantly highlighted the importance of ethical sensitivity for using AI in academics.

The well-informed addresses were followed by the technical sessions from the experts. In the first session, the resource person, Mr. Akash Sharma talked on the topic “The Overview of AI and its Research Tools.” In the second session, he gave an elaborative presentation on “AI Tools for Future Generation and its Challenges.” He focused on personalized learning, task automation, organization of information and learning resources, and tools and techniques of integrated learning. The participants were also introduced to the ethics and dynamics of content creation through Google AdSense, SEO generation and plagiarism detector.

On Day-Two, in the third session, Ms. Gauri Kapur enumerated “Tools to Create Presentation.” She highlighted the significance, recent trends and techniques of artificial intelligence in academics. She also demonstrated methods of creating live acts and animated videos using text.

In the fourth session, Ms. Nancy Dilawar elaborated on “Ethical Use of Generative AI.” She introduced the participants with AI tools, methods and their ethical usage to enhance teaching-learning methodology and research aptitude. The participants were efficiently demonstrated the optimum blend of human intelligence and machine learning to create a more dynamic platform for academic pedagogy and its advancement.

The workshop was concluded by presenting mementos to the expert speakers as a token of appreciation for the engaging and enlightening workshop. The vote of thanks was proposed by Prof. H.M. Arif, the convenor of the workshop followed by the National Anthem.

The workshop was remarkably attended by a total of 140 participants, inclusive of the faculty members, the research scholars and the students. The participants demonstrated enthusiasm, a commitment to learning and promised to use Artificial Intelligence ethically as a force for their positive transformation. They gave favourable feedback, bringing out positive outcomes of the sessions.

The enterprising workshop was smoothly conducted by the Organizing Secretaries, Dr. Fatima Sahrish and Dr. Mursalin Jahan, Assistant Professors, Department of Languages.
