BRIEF REPORT ON
WORLD BOOK & COPYRIGHT DAY

organized by

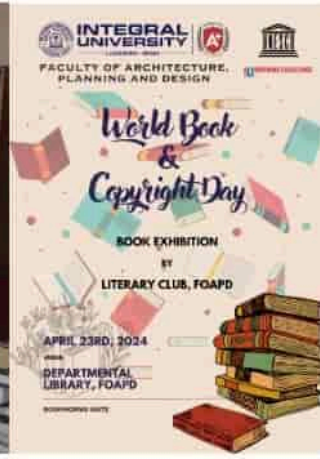

LITERARY CLUB, DEPARTMENT OF ARCHITECTURE
FACULTY OF ARCHITECTURE, PLANNING & DESIGN
INTEGRAL UNIVERSITY, LUCKNOW

Keeping in light the vision of our University and its Programs where Industry Exposure, Student Participation & Field Visits are the key aspects for quality education & imparting excellence in a way that our vision aligns with the Sustainable Development Goals set by the United Nations, students from Faculty of Architecture, Planning & Design (FoAPD) organized World Book & Copyright Day on Tuesday 23rd April 2024.

World Book and Copyright Day, celebrated annually on April 23, is a global tribute to books, authors, and the laws that protect them. This special day encourages people around the world to embrace the joy of reading and recognize the cultural significance of books. World Book and Copyright Day also marks the death anniversary of several prominent authors such as William Shakespeare, etc. World Book and Copyright Day emphasizes the role of books as a bridge between generations, cultures, and the past and future. It recognizes books as a powerful medium for knowledge, entertainment, and understanding the world.

UNESCO (United Nations Educational, Scientific and Cultural Organization) spearheads this celebration. In 2024, the theme revolves around Indigenous Languages. UNESCO recognizes the importance of linguistic diversity and supports the publication of books in both Indigenous and regional languages. Keeping the same in light, Faculty of Architecture, Planning & Design organized a Book Exhibition in the Departmental Library of FoAPD. The books in the exhibition were on varied topics such as Interior Design, Sustainability, Planning Theories, History of Civilization, etc by authors both indigenous and foreign.

The students were free to visit the Departmental Library throughout the day to go through the books so that it encourages them to prowess through their reading habits. The exhibition was organized by Literary Club, FoAPD under the supervision of Prof. (Ar.) Zeba Nisar, Dean, FoAPD and Prof. (Dr.) Safiullah Khan, Head, Department of Architecture.
