BRIEF REPORT ON
ALUMNI INTERACTION
organized by
DEPARTMENT OF ARCHITECTURE
FACULTY OF ARCHITECTURE, PLANNING & DESIGN
INTEGRAL UNIVERSITY, LUCKNOW

Faculty of Architecture, Planning & Design (FoAPD), Integral University invites its Distinguished Alumni from Time to Time to interact with their undergraduate peers to guide them on the best career choices. In this series, FoAPD invited Ar. Amit Verma & Ar. Zain Siddiqui, 2018 Bachelor of Architecture graduates who have ventured into the field of Architecture as Practicing Architects with their own respective firms for an interactive session with the students on May 16, 2024.

The program began with the warm welcome and blessings by Prof. (Ar.) Zeba Nisar, Dean, FoAPD. The program commenced with an opening address delivered by Dean, FoAPD. The idea of alumni involvement and alumni interaction programs emerged to fulfill the demands of both the academic and working communities by better preparing today's graduates to succeed in the increasingly cutthroat professional world. After the welcome address, our Alumnus connected with our students and guided them toward more well-informed choices regarding their prospective futures.

Following the inspirational talk, Prof. (Dr.) Safiullah Khan, Head, Department of Architecture, concluded the event by thanking our Alumnus Guests, students, and Dean FoAPD. Following the conclusion of the speeches, Ar. Sabeeha Haq gave a vote of thanks and expressed her gratitude on behalf of FoAPD to the Dean, Head of Department, professors, and students who were present at the event. Faculty of Architecture, Planning & Design ensures that our Interactions are always done keeping in mind the vision of our University and its Programs where Industry Exposure, Student Participation & Field Visits are the key aspects for quality education & imparting excellence in a way that our vision aligns with the Sustainable Development Goals set by the United Nations. Glimpses of the interaction session are attached below:
