**REPORT**

**Brief Report on the Debate Competition on World AIDS Day  
Organized by Department of Physiotherapy, Integral Institute of Allied Health Science &  
Research, Integral University, Lucknow on 1<sup>st</sup> December 2023**

The Department of Physiotherapy (IIAHSR) organized an educational and interactive "*Debate Competition*" on 1<sup>st</sup> December 2023 on occasion of World AIDS Day. The topic for debate is "*Neglect and Abuse for people with AIDS in Society.*"

The competition took place in the presence of the faculty members and students. The students debated for and against the topic. They shared their views and perspective about people suffering with AIDS and how the society treats them. Most of the participants were against the topic that society should not neglect the people suffering with AIDS as it is not a contagious disease but some students were in favor of the topic that society should boycott AIDS patients. The non-participant students also shared their opinions and a healthy discussion happened among the students and faculty members. The entire event was very informational. The students were glad to share their views. In this program approximately 50 students were present.

The event was concluded with a vote of thanks by **Dr. Mohd Javed Iqbal**. The program was actively supported by all the members of the Department.
