Brief Report on the Guest Lecture

"Navigating the Intersection of Business and Healthcare : Exploring value Chains and opportunities"

Organized by Department of Physiotherapy, Integral Institute of Allied Health Science & Research, Integral University, Lucknow on 17th April 2024

The Department of Physiotherapy (IIAHSR) organized an educational and interactive *Guest Lecture* on 17th May 2024. The Guest speaker was **Mr. Mohammad Saad Business Consultant Deloitte Gurgaon**. The program was geared up with the warm welcome of **Mr. Mohammad Saad** by **Prof. (Dr.) Abdur Raheem Khan, Head Physiotherapy**.

The session starts with current local and global need of health care after the covid which is now turning up as a growing business. The speaker explained about the upcoming challenges in health care sector focusing over the contribution of allied health sciences and also emphasized the need of chat GPT and AI tools to provide better treatment opportunity without draining extra physical effort. The mindset we carry and the willingness to get through obstacles all we need to be successful in life transform yourself into what is needed to achieve the goals.

Overall, it was a session worth each and every second of the time, the audience was highly motivated and driven at the end of it and was able to absorb the essence of what a transformational mindset is.

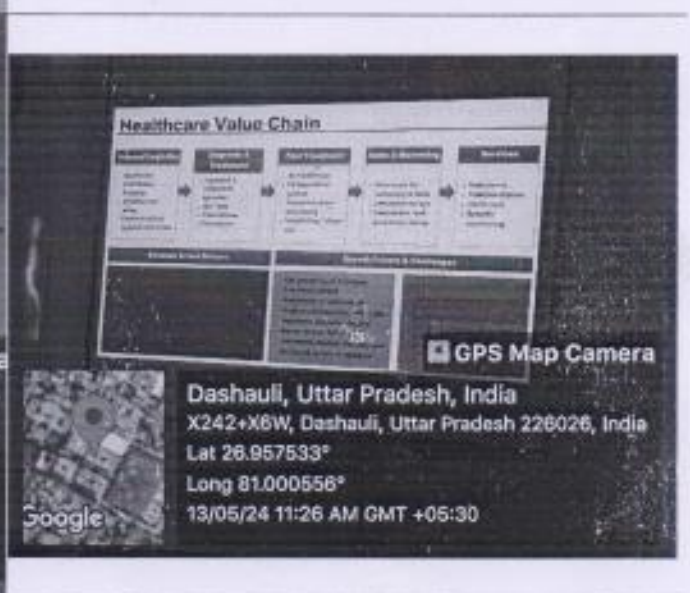

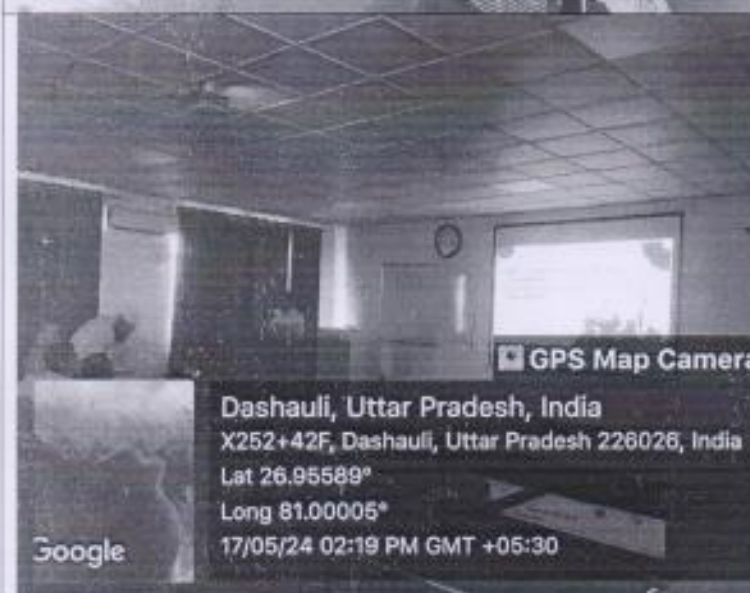

Mr. Saad emphasized the importance of extracurricular activities, provided insights and addressed student industrial experience in health care sector.
