REPORT OF WORLD ENVIRONMENT DAY 2024*Department of Environment Science**Integral University, Lucknow*

The Department of Environmental Science, Integral University, along with the National Botanical Research Institute (NBRI), organized an Environmental Information, Awareness, Capacity Building, and Livelihood Program Center (EIACP) at the CSIR-NBRI hosted the World Environment Day 2024 celebration. In this celebration, CSIR-Jigyasa, NCC Navyug Kanya Mahavidyalaya, Integral University, and Prithvi Innovations have also joined as co-collaborators and participated in full zeal and enthusiasm at NBRI, Lucknow, on June 5, 2024.

The primary focus of global events is Land Restoration, Desertification, and Drought Resilience". The event's activities placed strong emphasis on the significance of safeguarding and restoring land resources. Dr. Anju Patel, Scientist and Co-coordinator of the Programme Centre, along with Major (Dr.) Manmeet Kaur Sodhi from Navyug Kanya Mahavidyalaya, Lucknow and Ms. Anuradha Gupta from Prithvi Innovation, spearheaded interactive group activities that promoted individual sustainability actions in alignment with the seven themes of Mission LiFE, an initiative by the Government of India. This activity provided a platform for teams to present innovative solutions for enhancing lifestyles and conserving essential resources, including energy and water. The event aimed to address the seven themes of Mission LiFE, which emphasize the importance of sustainable living and resource conservation.

A distinguished panel featuring Dr. A. K. Shasany, Director of CSIR-NBRI; Shri D. K. Soni, Regional Director of the CPCB; Dr. M.A. Khalid, Dean of Integral University; Ms. Anuradha Gupta; and Prithvi Innovations held a thought-provoking discussion on the need for policy actions and R&D interventions to address climate change and land degradation. The session was moderated by Dr. Ambrina Sardar Khan, Head of Environmental Science, at Integral University. The esteemed panelists were asked to address a variety of current and pressing issues, such as land restoration and desertification, and provided in-depth analysis and insights into these critical topics. Participants in the event also pledged to support Mission LiFE and received plant saplings as part of the "Vriksh Parigrah" initiative, which symbolizes their responsibility to protect the environment. A total of 127 individuals from 12 organizations, including colleges, universities, NGOs, and GlaxoSmithKline Pharmaceuticals, took an active role in the event. The faculty members and students of Environmental Science have enthusiastically participated and grab certificates for the same.

With Deep Regards
