Cross-cultural education refers to the process of teaching and learning that takes into account the cultural diversity present in the classroom or educational setting. It aims to promote understanding, respect, and appreciation for different cultures while providing equitable opportunities for all students to succeed.

On 17th February 2024, Faculty of Education has organized a Group Discussion activity on the theme of Cross-cultural Education under United Nation Academic Impact Goal 10 i.e. **"A commitment to promoting inter-cultural dialogue and understanding and the unlearning of intolerance through Education"**. Few dimensions of Cross Cultural Education are:

- Cultural Diversity
- Cultural Competence
- Curriculum and Instruction
- Language Diversity
- Cultural Awareness and Sensitivity
- Promoting Inclusion and Equity

- Building Intercultural Competence
- Global Citizenship

The initial address was made by Dr. Smita Srivastava, Associate Professor, Faculty of Education who shared her insight and enlighten the students on cross-Cultural Education. The coordinators of this event were Dr. Smita Srivastava and Ms. Huma Naaz and Activity Incharge was Dr. Manisha Singh.

The framework of the program is as follows:

There were in total Forty students from the Faculty of Education. Students were divided into two groups Group A and Group B with twenty students each. There was one moderator in each group namely Priya Saha in Group A and Umama Khan in Group B. Students shared their views on Cross Cultural Education. The major points that came in the discussion are as follows:

- Cross Cultural Education promotes global competence.
- It prepares individuals to engage as informed and responsible citizens in our interconnected world.
- Through cross-cultural education, we not only celebrate the uniqueness of each culture but also recognize our shared humanity.
- Cross Cultural Education equips individuals with the necessary skills to navigate multicultural environments.
- We live in India with a diverse culture, we need to know them all to foster effective communication and collaboration.

The program was well conducted and provided a platform for students to articulate their perspective on the Cross- Cultural Education. The event not only showcased the diversity of thought among the participants but also highlighted the commitment towards the effective communication and collaboration.
