## **BRIEF REPORT**

India has been celebrating *Azadi ka Amrit Mahotsav* since previous year Independence Day. It was the most creative and innovative initiative taken by the Indian Government which included a lot of cultural events and programs through which India has been celebrating its independence since one whole year, remembering all the Indian diversities, cultures and history and achievements so far. On 15<sup>th</sup> August 2022 this enormous one-year celebration came to an end with all Indians celebrating its **75 years of Independence**.

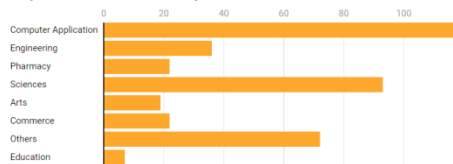

This Independence have not been possible without the great sacrifices which our freedom fighters did for making our country slave-free and bring democracy to it. They gave their properties, families and even their lives in the way of achieving independence for our country. Their intensity of their sacrifices can neither be experienced and not ever forgotten. Therefore, in order to remember these great martyrs who gave everything for Independent India, Department of Computer Application has organized a short visual online quiz "**Know Your Heroes Quiz 2022**" on **15<sup>th</sup> August 2022** from **10:00 am onwards**.
