Report on 'Shabdon Ki Mehfil' Organized by the Active Mind Literary Club, Computer Science and Engineering Department

On behalf of the Active Mind Literary Club of Computer Science and Engineering Department, we are delighted to present the report on our recently organized slam poetry competition, *Shabdon Ki Mehfil*, held on 4th September, 2024. This event, our first of the academic session, took place at the Central Auditorium (Conference Hall 2) and was a celebration of poetic expression in Urdu and Hindi.

Event Overview:

Shabdon Ki Mehfil provided an impressive platform for 39 talented student poets to showcase their unique creative abilities and articulate their thoughts on a variety of meaningful themes, including the role of parents, pressing societal issues, and the journey of self-reflection.

The event was meticulously organized under the guidance of our esteemed faculty coordinators, **Ms. Falak Alam** and **Dr. Nudrat Fatima**, whose support and expertise were invaluable in bringing this vision to life. The efforts of club coordinators Afnan Ansari, Ayesha Tariq, and Syed Wasif were instrumental in leading the initiative, ensuring that every detail was carefully considered.

In addition, a dedicated team of volunteers worked tirelessly behind the scenes to manage various logistical aspects, promote the event through effective channels, and coordinate the activities that contributed to a seamless experience for both the poets and the audience. Their commitment and hard work played a crucial role in the overall success of Shabdon Ki Mehfil, turning it into a memorable celebration of poetry and expression.

Key Highlights:

- The competition featured diverse and thought-provoking performances.
- **Fatima Amin was awarded 1st place, with Mohd. Taha secured 2nd place.**
- The jury panel, comprising Ms. Nida Khan, Ms. Falak Alam, Dr. Nudrat Fatima, and Dr. Usman provided participants with constructive feedback, which was highly appreciated.
- The event was well-received by attendees, who commended the professionalism of the organization and the quality of performances.

Outcomes and Future Plans:

The event successfully fostered a creative and cultural space for students, receiving overwhelmingly positive feedback from both participants and the audience. Going forward, the Active Mind Literary Club plans to organize similar events that will include a broader range of literary and artistic expressions, aiming to engage more students and promote cultural diversity within our department and the university.

We would like to extend our sincere thanks to the faculty, volunteers, participants, and audience for their invaluable contributions. Attached are the glimpses of the event for your reference.
