Department of Computer Science and Engineering

**Seminar*****"Profile Building for High-Value Placements & Higher Education"***

Organised by

Department Placement Committee, CSE

The Departmental Placement Committee (DPC) of the Department of Computer Science & Engineering at Integral University, Lucknow, organized a seminar on “Profile Building for High-Value Placements & Higher Education” on 7th March 2025 at 10:00 AM in the CSE Seminar Hall. The seminar aimed to equip students with essential skills and insights to enhance their professional profiles for top placements and higher education opportunities.

The session was conducted by Mr. Satish Anand, Founder & CEO of Aao Seekhe, a renowned industry expert with over 23 years of experience in soft skills training and career mentorship. Mr. Anand, a 6X Josh Talks speaker and award-winning international author, shared valuable strategies on resume building, interview preparation, and personal branding.

The seminar witnessed enthusiastic participation from over 100 students, primarily from 3rd and 4th-year from Dept. of Computer Science and Dept. of Mechanical Engineering, who actively engaged in interactive discussions and Q&A sessions with the speaker. Mr. Anand also provided insights into current job market trends and guided students on enhancing their employability skills. Additionally, 60+ students submitted feedback, expressing appreciation for the session’s practical insights.

The event was successfully organized and conducted by the Departmental Placement Committee. Special appreciation goes to Dr. Roshan Jahan and Mrs. Saleha Mariyam for their invaluable guidance and support. The department looks forward to organizing more such informative sessions to help students excel in their careers.

The successful execution of the event was made possible through the unwavering dedication and support of Ms. Ambreen Anees Mr. Anas Habib Zuberi ,Mr. Faizan Ahmad and all faculty members. Additionally, the diligent efforts of the students, including Mohd Ali Raza Khan, Zavil Huda Quraishi, and Irtiqua Miran (Student Coordinators), played a significant role. The seminar was a great success, leaving students motivated and better prepared for their future career paths.
