REPORT ON INDUSTRIAL VISIT TO SKYVIEW SMART SOLUTIONS, LUCKNOW 1st March 2025

The Department of Computer Science & Engineering is organizing a one-day industrial visit to Skyview Smart Solutions, Lucknow, for students. Skyview Smart Solutions is a leading IT services provider with a strong presence in Saudi Arabia and India. The company specializes in IT infrastructure, cybersecurity, cloud computing, mobile and web development, and digital marketing. This visit will provide students with valuable insights into industry operations, emerging technologies, and software development processes. During the visit, students also learned about the company's projects, gaining insights into their real-world applications and impact. Accompanied by Ms. Nida Khan, Assistant Professor, CSE Department, and Ms. Sonam, Assistant Professor, CSE Department, the visit is designed to bridge the gap between theoretical knowledge and practical industry applications. and 85 students participated in the visit.

We extend our gratitude to Skyview Smart Solutions for hosting this visit and appreciate the efforts of the faculty and administration in organizing this educational opportunity. The visit aims to provide students with a practical understanding of IT industry trends beyond classroom learning.

Glimpses of the Visit:

Interactive session with industry experts.

Group photo capturing the enthusiasm of participants during the visit.

Students engaged in a discussion on emerging IT trends at Skyview Smart Solutions.

With Regards,

Dr Shish Ahmad
Professor & Head, Deptt of CSE
Integral University, Lucknow, India
