

Integral University, Lucknow

DEPARTMENT OF ELECTRONICS & COMMUNICATION ENGINEERING

is organized a Awareness Program (Debate)

on *Nasha Mukh Bharat Abhiyaan* under NCORD on 19th April 2025

The Faculty of Electronics & Communication Engineering at Integral University organized a an event "**Nasha Mukh Bharat Abhiyaan** under **NCORD** on **19th March 2025** from 09:30 A.M. onwards .

Nasha Mukh Bharat Abhiyaan has some important goals:

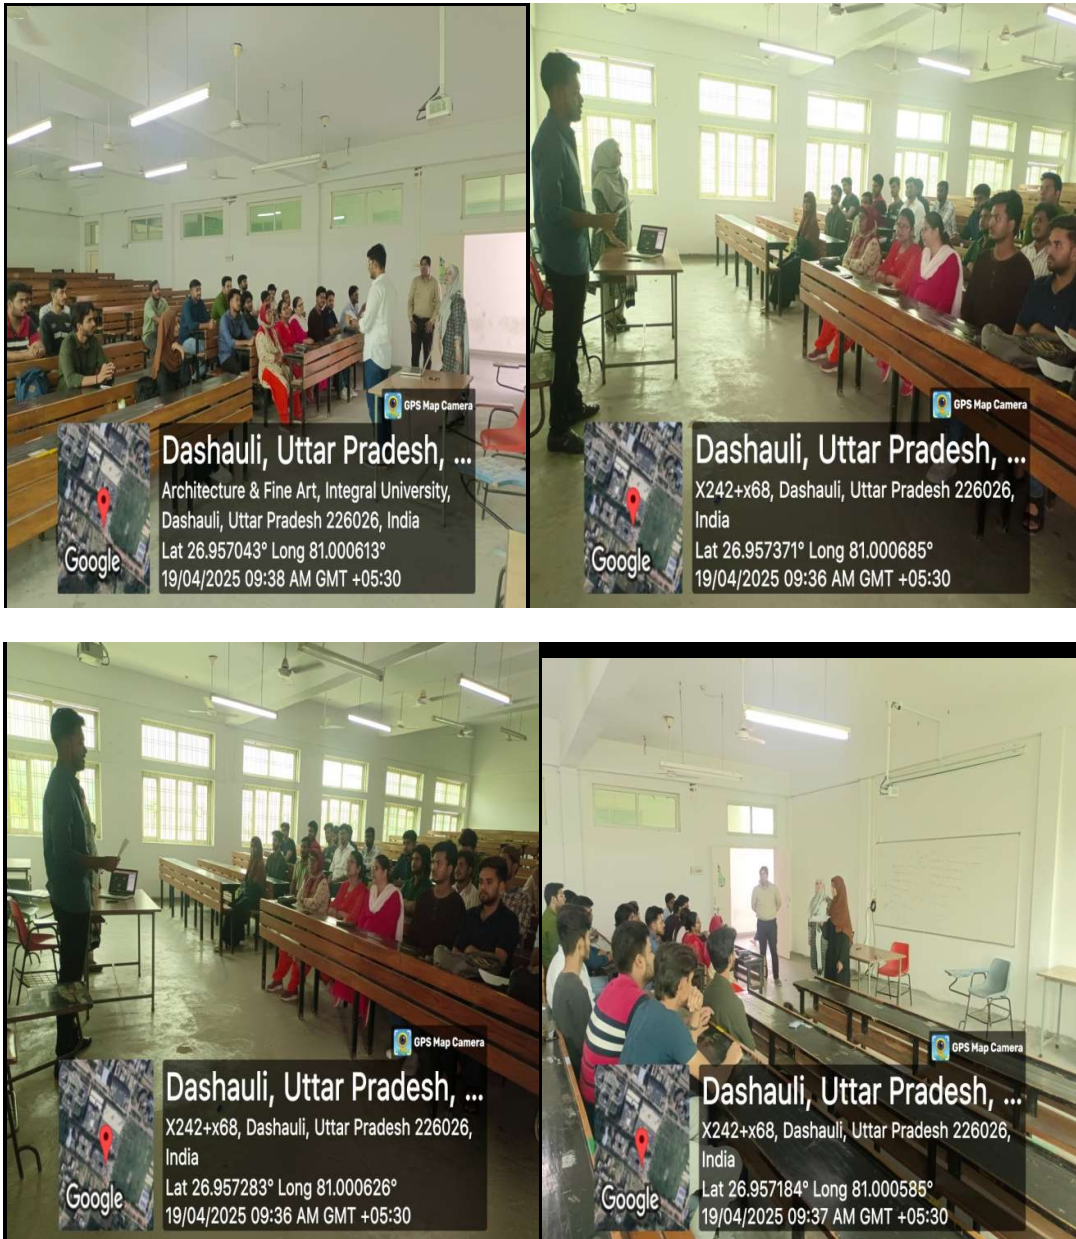

- It aims to cut off the supply of drugs by catching those bringing them in and stopping everyone from making or selling them.
- It offers support to those who are already hooked on drugs, through counseling, rehab centers, and medication.
- It wants everyone to know how bad drugs are, how they hurt your health and life, and why it's important to stay away from them.
- They want to build a society where people don't feel pressured to take drugs and where it's easy to get help if you need it. This means involving families, communities, and even religious leaders.
- They especially focus on protecting young people and people in difficult situations, who are more likely to get caught up in drugs.

Under this event our 32 students partipated in debate competition on the theme "**Nasha Mukh Bharat**"

Nasha Mukh Bharat Abhiyan is a commendable initiative that seeks to tackle the menace of drug abuse in India. While it has made significant progress, continuous efforts are needed to strengthen rehabilitation infrastructure, enhance awareness programs, and ensure strict enforcement of anti-

drug laws. Collaboration between government agencies, civil society, and citizens is crucial in achieving a drug-free India.

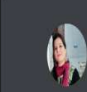

The event was coordinated by Dr. Saima Beg, Associate Professor, Dr Zohaib Hasan Khan , Assistant Professor, Department of Electronics & Communication Engineering, Integral University. We express our gratitude to all the participants for sharing their insights and knowledge, and we look forward to more such enlightening interactions in the future.
