**A Brief Report on the “International Tiger Day 2024”
organized by
Department of Environmental Science, Integral University, Lucknow**

International Tiger Day is celebrated on July 29th each year to raise awareness about the conservation of tigers and the threats they face. In 2024, the day's theme was "**Save Tigers, Secure Our Future**", and the focus was on the urgent threats tigers face, such as poaching, habitat loss, and human-wildlife conflict.

As part of the worldwide events for International Tiger Day, the Department of Environmental Science, Integral University, Lucknow hosted online quiz awareness about the extinction of tigers and the importance of its conservation. Loss of habitat, climate change, hunting and poaching are some of the factors contributing to the decline in tiger population.

Department of Environmental Science, Integral University, Lucknow organized A Quiz Competition on “International Tiger Day” 29th July, 2024 (Monday) online mode at 11:00am to 02:00pm. In this quiz competition the total registered candidates is 174 & the total number of participants is 84. The **first winner** was **Ms. Jyoti Yadav** (Enrollment No. 2300103914) & **Ms. Mansi Verma** (Enrollment No. 2300103915) M.Sc. (Biotechnology) IInd Year, Department of Biosciences and **second winner** was **Ms. Kajal Mishra** (Enrollment No. 2300105110), M.Sc. (EVS) IInd Year, Department of Environmental Science.
