Greetings of the day

Dear Sir,

Please circulate the report on the communication Cell as soon as possible.

Report**on****“Daan Utsav Donation Drive” by the Faculty of Education****Integral University, Lucknow****Duration (03rd Oct 2024 to 08th Oct 2024)**

The Department of Education of Integral University, Lucknow celebrated Daan Utsav a from 03rd October 2024 till 8th October 2024 in collaboration with Swapna Foundation Aliganj, Lucknow. In the slum area of Aliganj.

The primary objective of the Daan Utsav was to encourage community engagement and foster a spirit of generosity among students and faculty during the Daan Utsav celebrations. We aim to make a meaningful contribution to our community while instilling values of kindness and generosity in all participants.

Day 1 (03/10/2024)

On the first day students from the Department of Education visited a slum area in Aliganj with the help of Swapna Foundation. Students focused on getting acquainted with the community and established a friendly rapport. Upon arriving at the location students introduced themselves to the children of the slum. Children were then encouraged to share their names and about themselves this helped to break the ice and made the environment more welcoming. Interaction helped to create a friendly atmosphere and gave an insight about the lives of children living in slum areas. Students of M.Ed brief the children about the activities which they will be conducting in coming days. Students arranged various interactive learning activities for the children and Imparted basic knowledge to them like identifying the numbers, Knowing alphabets etc. Alfiya from M.Ed conducted activity 'Up and Down' for the children additionally, the children enthusiastically learned alphabets of English and numbers which gauge their learning level. It was an enriching experience filled with bonding and fun. It helped students to connect with the community.

Day 2 (04/10/2024)

On the second day M.Ed Knowing alphabets d students organized different activities for the children of slum areas. They were also taught some basic simple addition, subtraction, Knowing alphabets etc. First activity was about 'Good Touch and Bad touch' which conducted by Saima Siddiqui. Second activity was conducted by Ruqaiya Parveen which was a game activity about 'Number counting' children learned about counting of numbers. After this Yumna Zuberia with her team taught them about some health, hygiene and healthy habits which they can practice daily. Activity 'Guess the fruit' was also conducted by M.Ed students in which children were shown handmade flashcards of different fruits and they identified the fruits name. Children participated enthusiastically and the goal of providing basic understanding of education and essential life skills was fulfilled in a fun and learn manner.

Day 3 (05/10/2024)

On the third day of the Community service students from B.Ed arranged some learning classes for the children of slum area, students taught them basics like varnamala in hindi, habits to keep clean every day, Daniya Siddiqui from B.Ed made the children practice some alphabets on the black board in an interesting manner which made the children more eager to learn and write.

Day 4 (06/10/2024)

On the fourth day of the Community service students from B.Ed organized various games and learning activities for the children. They also taught them in groups and made them learn some names of different shapes, animal names in English. Students also called them one by one and made them write on a roller board. This induces effective learning among children and makes teaching more effective and joyful for the children.

Day 5 (07/10/2024)

On the fifth day of the Community service students from M.Ed organized various games like balancing one leg, answering quiz questions to move on to the next level. These activities helped in improving their coordination and cognitive skills. Students also taught them about different body parts through songs and actions making the learning enjoyable and memorable. Children enjoyed all the activities.

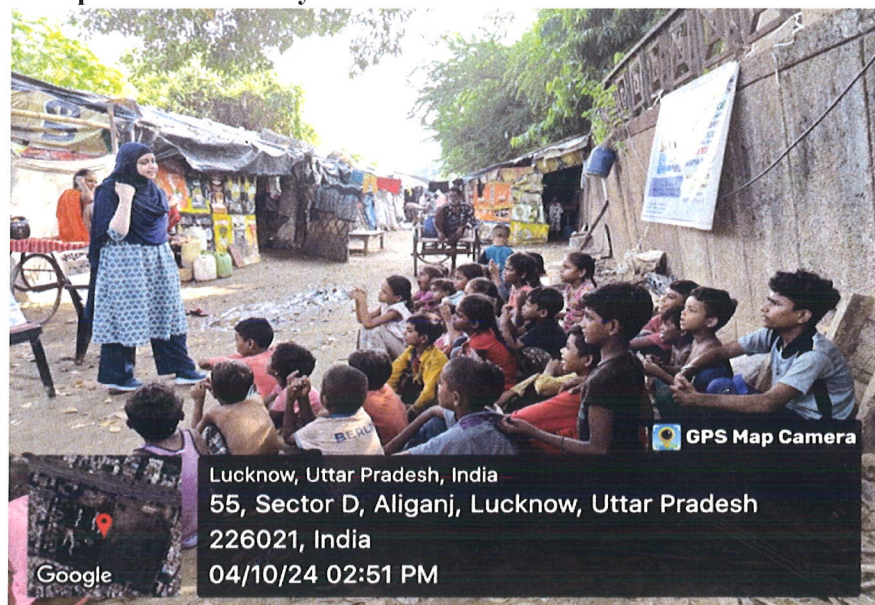

Day 6 (08/10/2024)

On the last day of Community service students taught about different seasons, days in a week and names of months. Students also organized some games like spoon marble race, circle jump.

At last students distributed small stationary packs and refreshments to the children as a token of remembrance. Overall children participated enthusiastically and the activities contributed significantly to their social, emotional and cognitive growth. Children from the slum showed a very positive response to this community service activity which was carried out under Daan Utsav celebration more than fifty students participated in the activity.

Activity was carried out under the Activity Coordinators: Dr.Sadia Shakeel, and Dr Divya R Panjwani Assistant Professor in, Department of Education.
