organized by

FACULTY OF ARCHITECTURE, PLANNING & DESIGN

INTEGRAL UNIVERSITY, LUCKNOW

The Faculty of Architecture, Planning & Design organized a workshop and mock test competition titled “GATE Mock Test – 2025 (Architecture)” on 01st February 2025, aimed at preparing B. Arch students for the upcoming GATE examination. This initiative was conducted to provide students with a real-time test environment, enhance their problem-solving abilities, and familiarize them with the pattern and time constraints of the GATE exam.

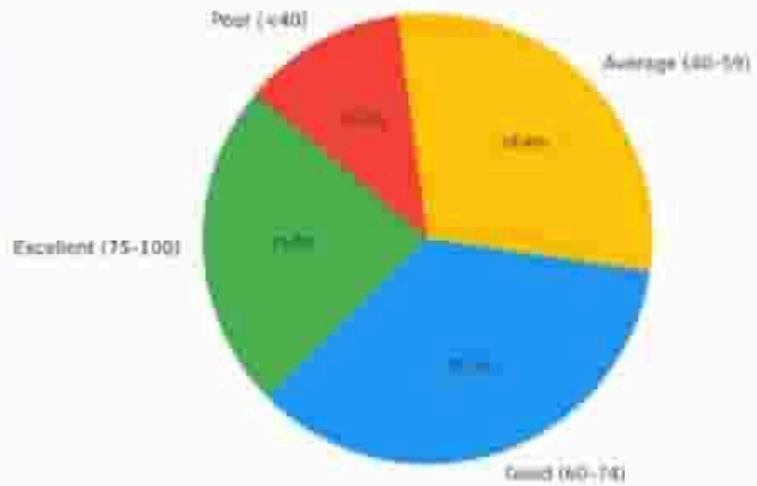

The session included a full-length mock test based on the latest GATE syllabus, followed by a detailed review and discussion on key questions, strategies, and common pitfalls. Students actively participated and benefitted from expert insights into exam techniques, time management, and subject-specific guidance. The workshop created an academically charged atmosphere, motivating students to assess their preparation levels and focus on targeted improvements.

The seamless coordination and execution of the event were made possible through the dedicated efforts of students and faculty members including Ar. Puja Verma, Ar. Zulnoorain Khairoowala, and Ar. Abdul Quadir, (Assistant Professors) under the valuable guidance and support of Prof. Zeba Nisar (Dean, FoAPD) and Prof. (Dr.) Safiullah Khan (Head of Department).

Attached herewith are glimpses that capture the highlights and essence of this productive and informative session-
